Hearing Voice God Through Psalms:

Praying the Psalms in the Voice of Christ Frank J. Matera, 2023-01-26 In *Praying the Psalms in the Voice of Christ* Frank J. Matera offers a way to pray the psalms within the Liturgy of the Hours rooted in the New Testament and the great writers of the early church. Taking his cue from Saint Augustine, Matera demonstrates how to hear the voice of Christ in the psalms so that they can be prayed in the voice of Christ and his Body, the church. In addition to this introduction to a christological reading of the psalms, Matera also provides a commentary on the psalms as they occur in the four weeks of the Divine Office.

Steadfast through Psalms Lauren Mitchell, 2025-03-04 A six-week guide to a deeper and more joy-filled prayer life. *Steadfast through Psalms* guides us in prayer journaling, praying Scripture, and pouring out our hearts to God as David did. We often think of prayer as a last resort for a problem rather than a beautiful way to anchor ourselves in God's heart. In fact, as Lauren Mitchell reminds us in this in-depth look at David's psalms, prayer is not something that enhances our spiritual life; prayer enables it. In *Steadfast through Psalms*, Lauren writes to all of us who long to pray with the passion of David but don't know how to get there. This six-week prayer guide includes Morning and evening prayers to bookend our days. Practical tools such as prayer journaling for stilling our minds. Insights and inspiration for praying the words of Scripture. Access to six teaching videos that correspond with each week's theme. Ideas for developing a rhythm of prayer that increases mindfulness, purpose, and peace. Prayer is more than an invitation to take our thoughts to God; it's an invitation to know His thoughts toward us. As David discovered, when we renew our minds through prayer, we can stay steadfast no matter what the day holds.

Studies in the Book of Psalms William Swan Plumer, 1866 The Psalms are wonderful They have been read repeated chanted sung studied wept over rejoiced in expounded loved and praised by God's people for thousands of years The most ancient of these productions is now 1866 three thousand three hundred and twenty six years old The least ancient of them is two thousand four hundred and fifty three years old The difference in date between the most ancient and the most modern of them is eight hundred and seventy three years They were all written in Asia so that we in this Western world can have no national pride respecting them Yet pious people here and all over the earth have found and can find no compositions more suitable for delineating their devout emotions and for expressing their pious sensibilities than those of inspired Psalmists If to any man these songs are unsavory the reason is found in the blindness and depravity of the human heart Hengstenberg The Psalms are expressions of holy feeling which can be understood by those only who have become alive to such feeling Other things being equal he who has the most heavenly mind will be the most successful student of the Psalms Introduction
