Heart Talks Holiness Samuel Brengle:

Heart Talks on Holiness Samuel Logan Brengle, 2016-01-20 *Heart Talks on Holiness* is a classic by Samuel Logan Brengle. [Heart Talks on Holiness](#) Samuel Logan Brengle, 2015-12-05 Samuel Logan Brengle was a leader of The Salvation Army and he wrote a number of theological works. His most famous works are *The Soul Winner's Secret Helps to Holiness* and *Heart Talks on Holiness*. *Heart Talks on Holiness: Attaining Spiritual Power and Joy Through Faith in Jesus the Son of God* Samuel Logan Brengle, 2018-08-02 Samuel Logan Brengle shares many of his deepest thoughts on the topic of spiritual holiness and the ultimate triumph of Christian goodness over sin. As a senior commissioner of the Salvation Army, S. L. Brengle was in a superb position to witness both the best and worst in humanity. Purposing his decades of tireless work with the organization as inspiration, Brengle authored several books which discussed and encouraged the values of reflection and sincerity in Christians. This work, *Heart Talks on Holiness*, was published while Brengle was in the midst of his career as an officer in the Salvation Army. The initial chapters establish what Holiness is and is not, followed by a list of benefits of what Brengle terms a clean heart and what the consequences of keeping such a heart are for Christian believers. **Heart Talks on Holiness** S. L., 1901 *Heart Talks on Holiness (Classic Reprint)* S. L. Brengle, 2015-07-05 *Heart Talks on Holiness* is a text focused on religion and spirituality which essentially stands as a sequel to S. L. Brengle's book *Helps to Holiness*. In addition to her work as a renowned and prolific author, Brengle was also a well-known commissioner in the Salvation Army. As a preacher and spiritual guide on the doctrine of Holiness, Brengle made it her life's work to write and publish works focused on that which she devoted her life to: the love and worship of God. This book presents itself as a spiritual guide for individuals who already believe in Christianity but want assistance in focusing and promoting their faith. Brengle believes deeply in salvation and the grace of God, and she crafted this book with the goal of helping men and women achieve salvation. A tall order in some regards, Brengle's main objective is that all readers will be inspired to enjoy salvation and through that experience happiness and joy on Earth. Brengle uses this book to explain to readers the basics of Holiness, several religious tenets, how to study and understand the Bible, and the value in embracing spiritual power. *Heart Talks on Holiness* is a spiritually themed book with a primary focus on Christianity and

the religious concepts of Holiness and salvation Brengle's passion for the topic flows through each page and each chapter compelling the reader to read forward and absorb excitement from the text This book is a great read for individuals inspired by spirituality and Christianity along with students of religion This book would also be entertaining for Bible study groups and Christian organizations interested in the work of S L Brengle About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Salvation Army is an integral part of the Christian Church although distinctive in government and practice The Army's doctrine follows the mainstream of Christian belief and its articles of faith emphasize God's saving purposes Its objects are the advancement of the Christian religion of education the relief of poverty and other charitable objects beneficial to society or the community of mankind as a whole The Salvation Army was founded in London in 1865 by William Booth its first General and has continued growing ever since In 2015 it celebrated its 150th anniversary and today it has a presence in 127 countries This second edition of Historical Dictionary of The Salvation Army contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on its leaders personalities events facts movements and beliefs of The Salvation Army This book is an excellent resource for students researchers and anyone wanting to know more about The Salvation Army Holiness Works William Charles Miller, 1986

The A to Z of the Holiness Movement William Kostlevy, 2010-04 The A to Z of the Holiness Movement relates important new developments in the Holiness Movement such as the widely discussed Holiness Manifesto are thoroughly discussed and the content has also been expanded to include information on figures from Asia and Africa to reflect The Way of Holiness Samuel Logan Brengle, 1918 *The A to Z of the Holiness Movement* William Kostlevy, 2010-04-01 It is much harder to define a religious movement than it is to define a religion or denomination That applies especially when that movement almost defies definition as the Holiness Movement does The Holiness Movement is a Methodist religious renewal movement that has over 12 million adherents worldwide Perhaps the most familiar public manifestation of the holiness movement has been its urban holiness missions and the Salvation Army noted for its service ministries among poor and people suffering the dislocations that accompany war and disaster is the most notable example The A to Z of the Holiness Movement relates important new developments in the Holiness Movement such as the widely discussed Holiness Manifesto are thoroughly discussed and the content has also been expanded to include information on figures from Asia and Africa to reflect the continued growth of the Holiness Movement With a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries this reference has information that cannot be found elsewhere **Like a Mighty Army** David W Taylor, 2015-02-26 In 1937 prior to the 1948 inauguration of the World Council of Churches Karl Barth challenged the churches to engage in real strict sober genuine theology in order that the unity of the church might be visibly realized At that time The Salvation Army didn't aspire to become formally known as a church even though it was a founding member of the WCC Today it is globally known as a social welfare organization concerned especially to serve the needs of those who find themselves at the margins of society Less well known is that seventy years after Barth's challenge it has made its peace with the view that it is a church denomination Accepting Barth's challenge to the churches and in dialogue with his own ecumenical ecclesiology the concept of the church as an Army is interrogated in service to The Salvation Army's developing

understanding of its identity and to the visible unity of God's church **Leadership in The Salvation Army** Harold Hill, 2006-10-01 Leadership in The Salvation Army is a review and analysis of Salvation Army history focused on the process of clericalisation. The Army provides a case study of the way in which renewal movements in the church institutionalise. Their leadership roles initially merely functional and based on the principle of the priesthood of all believers begin to assume greater status. The adoption of the term ordination for the commissioning of The Salvation Army's officers in 1978, a hundred years after its founding, illustrates this tendency. The Salvation Army's ecclesiology has been essentially pragmatic and has developed in comparative isolation from the wider church, perhaps with a greater role being played by sociological processes than by theological reflection in its development. The Army continues to exhibit a tension between its theology which supports equality of status and its military structure which works against equality, and both schools of thought flourish within its ranks.
