Heart Made Whole:

Heart Made Whole Christa Black Gifford, 2016-06-07 In *Heart Made Whole* Christa Black Gifford shares her own stories of loss betrayal and personal tragedy chronicling clear steps to redemption to help those in pain invite the true Healer into the tangled mess of their broken hearts Gifford reminds readers that pain is not their enemy however unhealed pain can become their greatest foe if it is not taken to Jesus Growing up as a preacher's kid Gifford had been submerged in Christian culture for decades when she uncovered the truth that there were broken parts of her heart that weren't on friendly terms with the God who lived inside Through disappointments and traumas she had learned to guard her heart from God keeping her angry entrapped and disconnected As struggles and hardships continued she finally learned to run towards her relationship with God when things got hard instead of running away from Him like she had in the past The more that she did this building her heart's capacity for intimacy and deep relationship the more her heart began to heal from the inside out She teaches the reader to access the solution that's already living inside of them the God who forever made their heart a home When trials and tragedy hit our lives in a fallen world our hearts can get smashed to bits and we end up putting God on trial and blaming Him for the mess But Christa helps readers understand that they don't have to live controlled by their circumstances or angry with God Instead she provides powerful insight and practical steps to turn the painful fire that comes to destroy us into an unexpected friend that can produce our greatest healing The condition of the heart determines the condition of life and the heart can be bound up and healed producing freedom and abundant life With personal workbook sections for each chapter Christa helps readers experience steps to turn their pain into the healing and wholeness available to every believer

God? Charles Von Hammerstein,2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very days before the Lord s return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12 14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ s holy eyes

Ages ago when the world was young people did not know as much of nature and its secrets as we do now Moreover they did not have the art of writing or if known to them it was used only by a few and its value for handing down the facts of history was not clearly understood Thus two great fields of knowledge the world of nature and the world of history were known only in a dim and vague way Yet men and women were even then anxious to find out the causes of what they saw about them in nature as well as to know whence and how they came to their native lands through what journeys and labors who were their ancient leaders in war the builders of their cities the founders of their laws and customs and the like In this book the editor tells us of Beowulf Rip van Winkle Odysseus the Argonauts King Arthur and many tales more *American Modernist Fiction* John Dolis,2023-07-31
