Heart Mafia Biswaroop Choudhary Roy, 2018 *The Mafia's Good Wife* Aflyingwhale, 2024-07-19 AN Please read *The Mafia's Good Girl* before this book Book 5 of *The Devil's Price* Series Before we get on with our business there's a bit of a paperwork you'd need to sign Damon said suddenly He took out a piece of paper and pushed it towards Violet What's this she asked A written agreement for the price of our sale Damon replied He said it so calmly and so nonchalantly like he wasn't buying a girl's virginity for one million dollars Violet swallowed hard and her eyes began to glaze over the words on that paper The agreement was pretty self explanatory It basically stated that she'd agree to this sale of her virginity for the aforementioned price and that their signatures would seal the deal Damon already signed his part and hers was left blank Violet looked up to see Damon handing her a pen She came into this room with the thought of backing out but after reading the document Violet had another change of heart It was one million dollars This was more money than she could ever see in her lifetime One night compared to that would be minuscule One could even argue that it was a bargain So before she could change her mind again Violet took the pen from Damon's hand and signed her name on the dotted line Right as the clock struck midnight that day Violet Rose Carvey had just signed a deal with Damon Van Zandt the devil in the flesh Warning Mature content ahead Enter at your own risk *Fat and Unhappy* Tristan Justice, Gina Bontempo, 2024-12-03 More than

seventy years after Americans dutifully embraced the low fat diet in an era of industrialized food a nation left fat sick and depressed three generations later are now desperately looking for answers to combat the twin epidemics of obesity and chronic disease The contemporary phenomenon to promote body positivity under the banner of health at every size however is another corporate sponsored movement to accept obesity and chronic illness as the new norm while fundamentally transforming our healthcare system into a sick care system Big Food and Big Pharma have accomplished what Big Tobacco tried but failed hook generations of consumers on biochemically addictive products and discredit the consequences Everybody knows smoking kills Few understand that cereal will too The modern message of body positivity is an emotionally tempting doctrine to a public rightly frustrated by the guidance of the so called experts but in reality it remains a trojan horse for the food and medical industries to prey on the physical insecurities and emotional turbulence of lifelong customers
