and our entire collection of Christian romance novels from Heartsong Presents **The Argonaut** ,1920 **Revelation**

Grant R. Osborne,2023-10-17 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne s commentary on Revelation interprets the text while also introducing readers to the perspectives of contemporary

scholarship in a clear and accessible manner Osborne begins with a thorough introduction to Revelation and the many difficulties involved in its interpretation He discusses authorship date of writing and the social and cultural setting of the work He also examines elements that complicate the interpretation of apocalyptic literature including the use of symbols and

figures of speech Old Testament allusions and the role of prophetic prediction Osborne surveys various approaches commentators have taken on whether Revelation refers primarily to the past or to events that are yet future Rather than

exegeting the text narrowly in a verse by verse manner Osborne examines larger sections in order to locate and emphasize the writer s central message and the theology found therein Throughout he presents his conclusions in an accessible manner

When dealing with particularly problematic sections he considers the full range of suggested interpretations and introduces the reader to a broad spectrum of commentators Revelation seeks to reach a broad audience with scholarly research from a

decidedly evangelical perspective **The Churchman** ,1922 The Year's Best Science Fiction ,2000 **Demonology**

and Devil-Lore Revised Moncure Daniel Conway,2019-09-18 An in depth look at demonology throughout western history that includes a good deal of Biblical and Middle Eastern references and mythology Many works from ancient Babylon Greek tragedies and the epic play Faust are used to form together a tangible history of demons in the present day Although many conclusions can logically be found to be erroneous the author makes a good attempt to bring together different lines of thought into one cohesive argument Now in larger print **Hearts on Fire 2** Dixie Lynn Dwyer,2014-09-03 Siren Menage Everlasting Erotic Menage a Quatre Romance M F M M light spanking HEA After surviving being shot in the chest Michaela Smitt has moved to Treasure Town in hopes of remaining under the radar and out of sight of the man who wants to finish the job But that s not easy in a town comprised of first responders especially when she seems to keep getting into trouble needing their professional assistance First she meets the Sheriff Jake McCurran when she s held by gunpoint in the sheriff s department Then at the station she meets Billy and Hal McCurran as they flirt and try to get to know her Finally when her attic is on fire all three come to rescue her but she s resistant to their charms Three very sexy charismatic brothers want to show her how wonderful a menage relationship can be but she s resistant not only because of her hollow heart but also the bull s eye on her forehead A Siren Erotic Romance
