Andrew T. Le Peau,Linda Doll,2022-08-02 In this behind the scenes narrative of InterVarsity Press Andrew Le Peau and Linda Doll offer a glimpse into the stories people and events that made IVP what it is today Recording good times and bad celebrations and challenges they place IVP in its historical context and demonstrate its contribution to the academy church and world *Being Gay, Being Christian* Stuart Edser,2012-01-18 Is it possible to be both gay and Christian This book

explains calmly and logically that the two are not mutually exclusive With the support of some of the finest scientific and theological minds Dr Stuart Edser presents a compelling case for tolerance and acceptance rejecting the traditional Christian view that gay people are either sick or sinful as a result of their sexual orientation While shrill voices of prejudiced fundamentalism are raised from all sides of the Christian church he invites the reader to a new experience of God Dr Edser is uniquely qualified to explain the biology psychology and sociology of being gay as well as to examine the Bible its interpretation and traditional Christian teaching on sexual morality Not only does he have a wealth of experience grounded in the Church both Catholic and Protestant but he is also a psychologist author and researcher Moreover he threads his own extraordinary story through the text using this and his experience as a clinician to guide his thinking In particular he offers a positive and rational voice so often glaringly absent from the Church s utterances on homosexuality He argues passionately

for church people everywhere to open their minds and show a willingness to discard older ways of thinking where more modern explanations reveal the truth more accurately And he encourages gay Christians to integrate their sexuality and their faith so that both are valued equally BEING GAY BEING CHRISTIAN is a call for reformation within the Christian church an appeal to modernity in our approach to knowledge and a practical self help book for people who are struggling with their sexuality so they can find both self esteem and a connection with God It will be of particular interest to People confused about their sexuality Young gay people Gay people who go to church Christian families and friends of gay people Clergy and church workers
