Marianne Dreams Faber Childrens Classics:

Marianne Dreams Catherine Storr, 2014-06-03 I could get in Marianne thought if there was a person inside the house There has got to be a person I can't get in unless there is somebody there A powerful and haunting classic about a girl haunted by her own dreams Ill and bored with having to stay in bed Marianne picks up a pencil and starts doodling a house a garden a boy at the window That night she has an extraordinary dream She is transported into her own picture and as she explores further she soon realises she is not alone The boy at the window is called Mark and his every movement is guarded by the menacing stone watchers that surround the solitary house Together in their dreams Marianne and Mark must save themselves The perfect gift for children aged 8 this well loved classic will delight a new generation of readers of the Faber Children's Classics list *E. Nesbit's Psammead Trilogy* Raymond E. Jones, 2006-04-13 The year 2006 marks the hundredth anniversary of book publication of the final volume of the Psammead trilogy *Five Children and It* 1902 *The Phoenix and the Carpet* 1904 and *The Story of the Amulet* 1906 a remarkable series of fantasy novels for children by an equally remarkable writer Edith Nesbit Written by both established and new scholars in England Canada and the United States the essays in this collection employ differing critical strategies and place Nesbit in various contexts to assess her achievement from publisher description *Integrating Children's Literature in the Classroom: Insights for the Primary and Early Years Educator* Rosemary Waugh, David Waugh, 2022-05-30 Teachers can have a profound influence on children's reading behaviour and attitudes to literature Whether it's to broaden children's knowledge and understanding or encourage reading for pleasure reading in the classroom is becoming an increasing priority This book looks at a wide range of children's literature from picture books to classics to poetry A diverse array of books is recommended for teachers to use in a broad variety of contexts to enhance learning across the curriculum featuring beloved authors such as Michael Morpurgo Tove Jansson and Kenneth Grahame as well as introducing some who may be new to teachers This book Recognises the key role of children's literature within the curriculum and learning development Explores examples through case studies of classroom practice and highlights children's literature's role in Personal Social Health and Economic PSHE education Celebrates the range of voices and contexts that literature can represent in the classroom Includes a For your bookshelf section in each chapter which summarises key titles Dedicates a chapter to the importance of creating children's literature with and for children The authors place emphasis on creating a literate environment in which children's literature is a central feature This is a must read for teachers at all levels as well as anyone who volunteers in schools to support readers Read on to enrich your practice right across the curriculum and find diverse books to engage and inspire children Enjoy Professor Teresa Cremin The Open University UK How do we make sure children today recognise the value of reading for pleasure when so many other mediums are competing for their attention The answer lies within this excellent text Megan Stephenson PGCE Primary ITT Lead Leeds Trinity University UK It is an essential book for the primary school needed now more than ever before Adam Bushnell Author

of Modelling Exciting Writing and Descriptosaurus Story Writing Rosemary Waugh is a retired teacher who has written extensively on children's literature spelling punctuation and grammar She is an avid collector of children's literature She works with David to lead workshops for reading volunteers in schools for the Open University UK and the charity Coram Beanstalk David Waugh is a former deputy headteacher education adviser and head of department who is currently a professor at Durham University School of Education UK He has written more than sixty books on primary English as well as six children's novels two of which were written with groups of children

Landscape in Children's Literature Jane Carroll, 2012-08-06 This book provides a new critical methodology for the study of landscapes in children's literature Treating landscape as the integration of unchanging and irreducible physical elements or topoi Carroll identifies and analyses four kinds of space sacred spaces green spaces roadways and lapsed spaces that are the component elements of the physical environments of canonical British children's fantasy Using Susan Cooper's *The Dark Is Rising Sequence* as the test case for this methodology the book traces the development of the physical features and symbolic functions of landscape topoi from their earliest inception in medieval vernacular texts through to contemporary children's literature The identification and analysis of landscape topoi synthesizes recent theories about interstitial space together with earlier morphological and topoanalytical studies enabling the study of fictional landscapes in terms of their physical characteristics as well as in terms of their relationship with contemporary texts and historical precedents Ultimately by providing topoanalytical studies of other children's texts Carroll proposes topoanalysis as a rich critical method for the study and understanding of children's literature and indicates how the findings of this approach may be expanded upon In offering both transferable methodologies and detailed case studies this book outlines a new approach to literary landscapes as geographical places within socio-historical contexts

Ghost Drum Susan Price, 2024-01-02 In the darkest hour of a freezing Midwinter a night walking witch adopts a newborn baby and carries her off in her house on chicken legs She names her Chingis and teaches her the Three Magics She grows into such a powerful witch that she rouses the jealousy of Kuzma the bear shaman The Czar of this cold realm fears his newborn son Safa will out do him and so imprisons the baby at the top of a tall tower to live and die there without ever glimpsing the real world Loneliness and confinement drive him to rage and despair until Chingis hears the crying of his trapped spirit and frees him But now their enemies unite against them with steel and deadly magic Chingis and Safa's fight for freedom will take them even through the Ghost World into the Land of the Dead A timeless and atmospheric tale of fierce magic

Sleep Monsters and Superheroes Clare R. Johnson, Jean M. Campbell, 2016-09-26 World renowned contributors across several disciplines reveal how dreams can aid and empower children in daily life Children can feel powerless in waking life a fact that is often reflected in their dreams This book shows how to take an active role in guiding children's dreams to help grow their confidence and improve their coping skills for real life difficulties Contributors from across various fields provide simple techniques to help children utilize dreamwork as a conduit for creative discovery and

empowerment Each chapter includes case studies and methods for working in practical ways with children explaining what may trigger nightmares for children and how monster dreams can be guided to become superhero dreams Essays encompass a spectrum of children's dreams with experts discussing dreams of trauma dreams as a reflection of emotional and physical development dreaming in the community spiritual or religious dreams lucid dreams dreams during wartime and dreams of death among others Throughout the work the narrative discusses the use of dreams as teaching aids for use in art therapy storytelling and self empowerment

Language and Ideology in Children's Fiction John Stephens, 1992 When children read fiction they are exposed to the beliefs which inform and structure their society The books encourage child readers to internalise particular ways of seeing the world and help shape their development as individuals Although this process forms a key part of their education it remains largely invisible As well as a story fictions impart a significance to readers often without revealing its presence or ground and therefore have considerable potential to socialize their audience John Stephens analyses this process and shows how fictions can work to constrain or liberate audience responses He explores picture books as well as historical realistic and fantastic fictions to show how both a character within the narrative and the implied reader are positioned within ideology The author considers areas of ideology not previously examined and offers new perspectives on realism and fantasy The book will be of interest to linguists and teachers as well as to the general reader
