

The image shows the front cover of a spiral-bound laboratory manual. The cover is primarily blue with a maroon top border. A detailed illustration of a fetal pig is positioned horizontally across the upper half. The authors' names are printed in white below the illustration. The title is prominently displayed in large white font. A maroon label in the top right corner identifies the specimen used. The book is still in its original plastic packaging, which is visible as a clear, slightly wrinkled layer over the cover.
