Kensington Portal Family Place Time:

Kensington A.M.Freitas,2018-04-12 This is an epic adventure that begins with our protagonist an archaeologist battling with his inner demons and depression while searching for the meaning of life He steals the plans for an excavation that was cancelled years ago and goes on a solo trip to uncover its mysteries Things go for a toss when he encounters supernatural occurrences and stumbles upon an unknown organization that has been following him his entire life The ensuing incidents throw his past into chaos when he learns about his parents and their current fate while pushing a demonic cult s plan for earth into the limelight Will peace finally return to this world Or is it only the beginning of the many more threats that have been exposed In a war between good and evil with the end of the world in sight will Shawn finally realize the truth about himself and join the battle What makes him so important that he holds the key to ending this war Find out and be a part of this epic journey along with our protagonist Shawn Kensington as he battles to save the earth with his new found power in *Once Burned Twice Thy Pain Part One*

Kensington David Gottfred,2015-11-25 In its heyday Kensington was an architectural showplace but Kensington Portal to a Family Place Time chronicles the history of not just a house but also the Singleton family with whose lives it was intertwined The Singletons were rich and powerful rubbing elbows with governors presidents and European royalty The halls of Kensington echoed with the voices of the high and mighty the laughter of children the clamor of war and the laments of slaves It is a slice of history well worth savoring Cyndi Carter The Singletons arrived in South Carolina in the 1750s and built a vast antebellum plantation empire of wealth and power The Kensington was the crown jewel of it all This story is about people the good the bad and the ugly told through their letters legal documents and stories handed down through generations There are heroes and villains triumph and tragedy joy and betrayal It is also about social class and slavery This story makes you laugh and maybe cry shake your head see the ironies and marvel at it all We get to know these people a little and maybe ourselves a little more **Douglas Bader** John Frayn

Turner,2009-04-30 Douglas Bader was a legend in his lifetime and remains one today 100 years after his birth A charismatic leader and fearless pilot he refused to let his severe disability loss of both legs in a flying accident ground him He fought the authorities as ruthless as he did the enemy and not only managed to return to the front line but became a top scoring ace His innovative tactics The Big Wing ensured his promotion and he led a key group of squadrons during the dark days of the Battle of Britain His luck ran out when he was shot down and captured he only escaped his burning fighter by cutting away one of his artificial legs As a POW he was a thorn in the Germans side and he was sent to Colditz Castle As this perceptive book reveals Bader the hero was at times a difficult overbearing man no doubt in part due to the pain he suffered But his strengths far outweighed his weaknesses and his place in the annals of British history is secure This is a timely republication of an important biography *Leading Men of London* London. - IV.
