Abstracts , 1982 A Successful Transformation? Petr Pavlínek, 2008-04-30 I started researching the dramatic changes in the automobile industry of Central and East European countries in the late 1990s My interest grew out of my previous work on the post socialist transformation foreign rect investment and regional economic development While researching the economic and regional development effects of foreign direct inve ment I was increasingly drawn to the automobile industry because of the speed and depth of its transformation through foreign direct investment and its potentially very significant economic and regional development fects In addition to working on the Central and East European automobile industry as a whole I became interested in detailed case studies of ent prise restructuring as I wanted to understand its complex nature and the role of different actors in the restructuring of the automobile industry In order to achieve this goal I visited dozens of automotive enterprises es cially in the Czech Republic Czechia to conduct in depths interviews with key informants I have also interviewed key informants at ministries automotive associations and academia and collected various secondary data

and information This book is the outcome of this work In this endeavor I have benefited from various support The University Committee on Research and Creative Activity at the University of Nebraska at Omaha funded three field work sessions in Czechia to conduct interviews and research for this book A Handbook for Travellers in Greece John Murray (Firm),1872

A Handbook for Travellers in Greece Anonymous,2023-02-05 Reprint of the original Strategic Retail Management and Brand Management Doris Berger-Grabner,2021-10-25 The retail industry and associated business models have gone through a significant phase of disruption The rapid emergence of new technologies digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector Key contextual or external trends will affect and shape the retail landscape in the years to come Therefore it seems important to prepare for this situation and be ready with a head start in terms of knowledge This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments It deals with key trends in particular new patterns of personal consumption evolving geopolitical dynamics technological advancements and structural industry shifts Moreover it explains why it is so important that retailers use these trends adapt their retail strategies and tactics create strong brands and come up with innovative new ways of doing business Today we are living in a challenging time for retail This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications □□□□ Carstairs Douglas,1873 Appendix to the Journals of the House of Representatives of New Zealand
