 Forth,2018-09-18 Sir Humphrey's Last Stand takes readers on a medieval romp in a story with a tenuous grasp on reality and
 history Despite the doom and gloom everyone seems pretty perky indeed and there is a scattering of buffoonery throughout
 The King of France has routed the incompetent English who can't decide whether to fall asleep on the job or shoot
 themselves in the foot first with an arrow of course Only Sir Humphrey and his men at Mont St Bernard remain on French
 soil French spies have infiltrated the Mont but their dashing looks attract the attention of the lust struck women of the castle
 The local Mayor can't make up his mind whether he supports the English or French depending on who is holding a knife to
 his throat at the time A gallant young knight and a lady in waiting find themselves unwittingly trying to save the day as they
 encounter colourful characters and a pirate or two along the way Unfortunately despite his military might battles won and
 being ordained by God no one seems to take King Louis very seriously But perhaps his greatest threat to defeating the
 English are the two dimwit conscripts who slowly but surely cause havoc in everything they touch **DREAM** William C.
 Troge,2005-07-20 Everyone has dreams but only a select few people have enough drive and dedication to make their dreams
 a reality At the age of 18 William C Troge Captain Bill to those who know him best began working on his Dream a twelve foot
 long sailboat he built himself from the ground up He intended to break four world records by sailing around the world alone
 Before his Dream could become a reality Bill met a variety of people who would lend him their support Eventually he met a
 group of men willing to back his venture with their own kind of support 50 000 worth With his financing in place Captain Bill
 set off on his amazing voyage sailing out of Oyster Bay into the sunset just like he'd dreamed The experience and the lessons
 learned at sea became a part of him are still a part of him and shaped the man he was to become years later His experiences
 are captivating and inspiring creating a story meant to be shared with anyone who has ever had a dream or ever wanted to

 Records as the longest canoe trip in history an eighteen month 7 865 mile saga of two young men and a canoe named Muriel
 The year was 1936 The place was New York City where two young office workers weary of the depression embarked on one
 of history's most remarkable expeditions They left New York City at the foot of 42nd street and paddled their canoe across
 the uncharted wilds of Canada to Nome Alaska This is their true story of the people they met of hunting fighting ice bears
