Kierkegaard Faith Love Sharon Krishek

Eran Dorfman

Kierkegaard Faith Love Sharon Krishek:

Kierkegaard on Faith and Love Sharon Krishek, 2009-07-23 Explores Kierkegaard's belief that earthly love and religious life do not conflict but rather enhance and perfect one another **Lovers in Essence** Sharon Krishek, 2022 Romantic love is a defining phenomenon in human existence and an object of heightened interest for literature art popular culture and psychology But what is romantic love and why is it typically experienced as so significant to our existence Using central ideas from the philosophy of Søren Kierkegaard as well as engaging with contemporary discussions in the philosophy of love this book explores the nature of romantic love and philosophically substantiates its meaningfulness to an individual's life It does so by developing a connection between love and selfhood here explained in terms of one's distinct individuality To be a self it is claimed is to possess a name that is an individual essence Further the book argues it is when we love that we regard people by their names we respond to who they truly are Accordingly the idea anchoring the book is that love is a correspondence between essences if Jane loves Edward she responds to him being who he is by virtue of her being who she is The conception of being thus correspondent has important implications as to the moral and spiritual value of romantic love Relying on Kierkegaard's analysis of the self of faith and of love even if sometimes in a way that departs from Kierkegaard's explicit position the book explores these implications By doing this it construes romantic love as a desirable phenomenon emotionally morally and spiritually *Kierkegaard's Concept of Faith* Merold Westphal, 2014-08-11 In this book renowned philosopher Merold Westphal unpacks the writings of nineteenth century thinker Søren Kierkegaard on biblical Christian faith and its relation to reason Across five books *Fear and Trembling* *Philosophical Fragments* *Concluding Unscientific Postscript* *Sickness Unto Death* and *Practice in Christianity* and three pseudonyms Kierkegaard sought to articulate a biblical concept of faith by approaching it from a variety of perspectives in relation to one another Westphal offers a careful textual reading of these major discussions to present an overarching analysis of Kierkegaard's conception of the true meaning of biblical faith Though Kierkegaard presents a complex picture of faith through his pseudonyms Westphal argues that his perspective is a faithful and illuminating one making claims that are important for philosophy of religion for theology and most of all for Christian life as it might be lived by faithful people **Kierkegaard's Theology of Encounter** David James Lappano, 2017 This study considers the social and political aspects of Kierkegaard's authorship building upon work over the last couple of decades Dr Lappano focuses on Kierkegaard's writing between 1846 and 1852 the period of Kierkegaard's more explicitly politicized writing *Kierkegaard's the Sickness Unto Death* Jeffrey Hanson, Sharon Krishek, 2022-05 Søren Aabye Kierkegaard 1813-1855 was a prolific author who published his philosophical writings in various styles and often pseudonymously In this diverse authorship *The Sickness unto Death* stands as something of an exception Although signed pseudonymously a method that Kierkegaard often used to put distance between his own view and the one expressed in the text Kierkegaard regarded this book as highly reflective of his own understanding of the religious life Rapidly written in the

spring of 1848 and after some agonizing published in 1849 the motivation behind *The Sickness unto Death* according to Kierkegaard's journal was in part a conscientious conviction that the whole of his authorship needed to be curated in the direction of the religious. The appearance of the second edition of *Either/Or* in particular provoked him to accompany the reissue with a new and more religiously inflected text. The second edition of *Either/Or* really can't be published without something accompanying it, he fretted in his journal. Somehow the emphasis must be on the fact that I've made up my mind about being a religious author. If this opportunity passes virtually everything I've written viewed as a totality will be dragged down into the aesthetic. KJN 5 NB10 69 JP 6 6361 SKS 21 293 294

Kierkegaard and the Philosophy of Love Michael Strawser, 2015-10-08. Ironically the philosophy of love has long been neglected by philosophers, so-called lovers of wisdom who would seemingly need to understand how one best becomes a lover. In *Kierkegaard and the Philosophy of Love* Michael Strawser shows that the philosophy of love lies at the heart of Kierkegaard's writings as he argues that the central issue of Kierkegaard's authorship can and should be understood more broadly as the task of becoming a lover. Strawser starts by identifying the questions: How should I love the other? Is self-love possible? How can I love God? and themes: love's immediacy, intentionality, unity, and eternity that are central to the philosophy of love and he develops a rich context that includes analyses of the conceptions of love found in Plato, Spinoza, and Hegel as well as prominent contemporary thinkers. Strawser provides an original and wide-ranging analysis of Kierkegaard's writings from the early *The Concept of Irony* and *Edifying Discourses* to the late *The Moment* while maintaining the prominence of *Works of Love* to demonstrate how Kierkegaard's writings on love are relevant to the emerging study of the philosophy of love today. The most unique perspective of this work, however, is Strawser's argument that Kierkegaard's writings on love are most fruitfully understood within the context of a phenomenology of love. In interpreting Kierkegaard as a phenomenologist of love, Strawser claims that it is not Husserl and Heidegger that we should look to for a connection in the first instance but rather Max Scheler, Dietrich von Hildebrand, Emmanuel Levinas, and most importantly Jean-Luc Marion, who for the most part center their thinking on the phenomenological nature of love. Based on an analysis of the works of these thinkers together with Kierkegaard's writings, Strawser argues that Kierkegaard presents readers with a first phenomenology of love, a point of view that serves as a unifying perspective throughout this work while also pointing to areas for future scholarship. Overall, this work brings seemingly divergent perspectives into a unity brought about through a focus on love, which is after all a unifying force.

[Art and Praise in Kierkegaard's Works of Love](#) Richard McCombs, 2023-12-19. Since art is essential to the love of one's neighbor as oneself and to love's chief goal of building up one another, we cannot understand love without also understanding its art. Observing that praise is ubiquitous in Søren Kierkegaard's writings, Richard McCombs interprets Kierkegaard's *Works of Love* as a eulogy of love's arts of forgiveness, peace-making, and building up one's neighbor in maturity and charity. Kierkegaard stresses love's ability to achieve results, calling love irresistible and almost magical in overcoming obstacles to

its purposes living the life of faith and love involves skillful attention to the specificity of the episodes in an individual's life and the creative imagining of new ways of enacting these virtues McCombs argues that Kierkegaard's ideas about the art of love reveal limits or exceptions to his individualism and to his anti consequentialism in ethics Art and Praise in Kierkegaard's Works of Love explores Kierkegaard's distinct praises of love through texts like Works of Love The Brothers Karamazov and Middlemarch to illustrate complement and sometimes correct Kierkegaard's profound account of love's art and wisdom suggesting ways that the art of praise bears on other questions in aesthetics ethics and religion

Kierkegaard's God and the Good Life Stephen Minister, J. Aaron Simmons, Michael Strawser, 2017-09-11 Collected critical essays analyzing Kierkegaard's work in regards to theology and social moral thought Kierkegaard's God and the Good Life focuses on faith and love two central topics in Kierkegaard's writings to grapple with complex questions at the intersection of religion and ethics Here leading scholars reflect on Kierkegaard's understanding of God the religious life and what it means to exist ethically The contributors then shift to psychology hope knowledge and the emotions as they offer critical and constructive readings for contemporary philosophical debates in the philosophy of religion moral philosophy and epistemology Together they show how Kierkegaard continues to be an important resource for understandings of religious existence public discourse social life and how to live virtuously All in all the editors of this volume have put together a thoughtful and sometimes provocative collection of essays by a number of Kierkegaard scholars and philosophers for the reader's consideration The volume undoubtedly makes a contribution to contemporary philosophical debates in the philosophy of religion moral philosophy and epistemology especially with regard to the importance of faith and love for leading a good and meaningful human life International Journal for Philosophy of Religion Invites the reader to think anew about what Kierkegaard was saying and what we can learn from him in the context of our time particularly what it means to become a Christian in terms of the moral task of love and living a life worthy of a human being Sylvia Walsh translator of Kierkegaard's Discourses at the Communion on Fridays

Kierkegaard and the Staging of Desire Carl S. Hughes, 2014-07-02 Theology in the modern era often assumes that the consummate form of theological discourse is objective prose ignoring or condemning apophatic traditions and the spiritual eros that drives them For too long Kierkegaard has been read along these lines as a progenitor of twentieth century neo orthodoxy and a stern critic of the erotic in all its forms In contrast Hughes argues that Kierkegaard envisions faith fundamentally as a form of infinite insatiable eros He depicts the essential purpose of Kierkegaard's writing as to elicit ever greater spiritual desire not to provide the satisfactions of doctrine or knowledge Hughes's argument revolves around close readings of provocative disparate and in many cases little known Kierkegaardian texts The thread connecting all of these texts is that they each conjure up some sort of performative stage setting which they invite readers to enter By analyzing the theological function of these texts the book sheds new light on the role of the aesthetic in Kierkegaard's authorship his surprising affinity for liturgy and sacrament and his overarching effort to conjoin eros for God with this

worldly love *A Metaphysics of Love* George Pattison, 2021-05-20 As the third part of a philosophy of Christian life *A Metaphysics of Love* builds on a view of Christian life as shaped by the dynamic of call response and promise It argues that love is the ultimate content of this dynamic and considers how far this claim extends Taking its bearings from Dante's vision of divine love as the power that moves the sun and other stars this study explores the requirement that love is both human and cosmic uniting being and beings Cognizant of much recent philosophy's desire to overcome or move beyond a metaphysics of being it examines some of the formal structures that make love possible including language time social being forgiveness and ultimacy Following on from the earlier volumes extensive use is made of the idea of the poetic as the eminent mode of Christian witness contextualized within the prose of everyday life Heidegger provides fundamental philosophical orientation whilst key features of love are brought to the fore through dialogue with Kierkegaard Dante and Dostoevsky are frequent points of reference in addition to a range of literary and religious sources including the Scottish poet Edwin Muir Leading scholar George Pattison concludes that the phenomenon of love requires us to articulate a metaphysics that involves both being and nothingness thereby taking a critical position vis vis both classical theism and existential atheism

Kierkegaard's 'Fear and Trembling' Clare Carlisle, 2010-07-01 Søren Kierkegaard was without question one of the most important and influential thinkers of the nineteenth century *Fear and Trembling* is a classic text in the history of both philosophical and religious thought that still challenges readers with its original philosophical perspective and idiosyncratic literary style Kierkegaard's *Fear and Trembling* A Reader's Guide offers a concise and accessible introduction to this hugely important and notoriously demanding work Written specifically to meet the needs of students coming to Kierkegaard for the first time the book offers guidance on Philosophical and historical context Key themes Reading the text Reception and influence Further reading **Kierkegaard and the Poetry of the Gospel** Frances Maughan-Brown, Rick Anthony Furtak, 2025-09-18 This is the first book in any language to collect scholarly essays on Kierkegaard's extraordinary series of Lily Discourses Long considered merely devotional writings the Lily Discourses constitute a sustained and repeated attempt to respond to the imperative issues in Matthew's Gospel Kierkegaard discovers in figures of the lily and the bird a paradoxical obligation to think together unremittingly both suffering and joy the fleeting nature of experience and the effort to endow this very transience with enduring significance In *Kierkegaard and the Poetry of the Gospel* a diverse group of emerging and established interpreters addresses the religious literary and philosophical dimensions of these discourses In the process they identify and develop a theory of language and of exemplarity crucial to all of Kierkegaard's writings To ask what the lily and bird teach is also to ask what it means or could mean to be human This collection is pivotal in registering clarifying and celebrating Kierkegaard's multiple responses to that question suspended at the heart of his Lily Discourses It is the go to text for anyone teaching or writing about the Lily Discourses across philosophy literary studies and religion

Kierkegaard's Either/Or Ryan S. Kemp, Walter Wietzke, 2023-11-30 This collection of essays strikes new ground in our

understanding of Kierkegaard's Either/Or and his authorship as a whole **Isotopography** Niels Wilde, 2024-08-19 While the concept of place remains undertheorized in Kierkegaard research this study argues that place is at the center of Kierkegaard's thinking The first part of the book shows that Kierkegaard's notion of situatedness as being placed in a socio-historical situation conditioned by a situation prior to situatedness points to a realist position and a flat ontology Secondly the book develops a detailed analysis of the ontological structure of the existential place the place we ourselves are and concrete places the places where we are Place opens a qualified space within bounds the existence sphere an atmosphere of elemental attunement and attuned elementality Finally the book collects the dots from part one and two in a topological realist approach to Kierkegaard's theology and three main definitions of God God is love God is that everything is possible and God is the middle term The book concludes that Kierkegaard's existential topography reveals a realist position where we are never exhausted by being the place where we are Double Trouble Eran Dorfman, 2020-01-17 The double/doppelgänger is mostly understood as a peculiar figure that emerged in nineteenth-century Romantic and gothic literature Far from being a merely esoteric entity however this book argues that the double although it mostly goes unnoticed is a widespread phenomenon that has significant influence on our lives It is an inherent key element of human subjectivity whose functions forms and effects have not yet gained the serious consideration they merit Drawing on literature philosophy and psychoanalysis and combining a personal story with theoretical interventions Double Trouble develops a novel understanding of the double and human subjectivity in the last two centuries It begins with the singular and narcissistic double of Romanticism and gradually moves to the multiple doubles implicated by Postmodernism The double is what defies unicity and opens up the subject to multiplicity Consequently it gradually emerges as a bridge between the I and the Other identity and difference philosophy and literature theory and praxis **Kierkegaard's The Sickness Unto Death** Jeffrey Hanson, Sharon Krishek, 2022-07-21 Presents new approaches to one of Kierkegaard's most important texts shedding light on themes such as selfhood despair and sin Kierkegaard's Influence on Theology: Anglophone and Scandinavian Protestant theology Jon Bartley Stewart, Tome II is dedicated to tracing Kierkegaard's influence in Anglophone and Scandinavian Protestant religious thought In Britain before World War I the few literati who were familiar with his work tended to assimilate Kierkegaard to the heroic individualism of Ibsen and Nietzsche In the United States knowledge of Kierkegaard was introduced by Scandinavian immigrants who brought with them a picture of the Dane as much more sympathetic to traditional Christianity The interpretation of Kierkegaard in Britain and America during the early and mid-twentieth century generally reflected the sensibilities of the particular theological interpreter Anglican theologians tended to find Kierkegaard to be one-sided in his critique of reason and culture while theologians hailing from the Reformed tradition often saw him as an insightful harbinger of neo-orthodoxy The second part of Tome II is dedicated to the Kierkegaard reception in Scandinavian theology featuring articles on Norwegian and Swedish theologians influenced by Kierkegaard *Knowing Emotions* Rick Anthony

Furtak,2018-02-01 How do our emotions enable us to know When Pascal noted that the heart has its own reasons he implied that our rational faculty alone cannot grasp what is revealed in affective experience Knowing Emotions seeks to explain comprehensively why human emotions are more than physiological disturbances but experiences capable of making us aware of significant truths that we could not know by any other means Recent philosophical and interdisciplinary research on the emotions has been dominated by a renewal of the debate over how best to characterize the intentionality of emotions as well as their bodily character Rick Anthony Furtak frames this debate differently however arguing that intentionality and feeling are not two discrete parts of affective experience but conceptually distinguishable aspects of a unified response His account captures how an emotion s phenomenal or felt quality what it is like relates to its intentional content what it is about Knowing Emotions provides a solid introduction to the philosophy of emotion before delving into the debates that surround it Furtak draws from a wide range of analytic and Continental philosophers including Sartre Merleau Ponty Kierkegaard and Nietzsche among others and bolsters his analysis with empirical evidence from social psychology neuroscience and psychiatry Perhaps most importantly Furtak investigates all varieties of affective experience from brief episodes to moods and emotional dispositions loves and other longstanding concerns and overall patterns of temperament and affective outlook Ultimately he argues that we must reject the misguided aspiration to purify ourselves of passion and attain an impersonal standpoint Knowing Emotions attempts to clarify what kind of truth may be revealed through emotion and what can be known not despite but precisely by virtue of each person s idiosyncratic perspective

Sacrifice in the Post-Kantian Tradition Paolo Diego Bubbio,2014-07-07 An examination of the philosophical notion of sacrifice from Kant to Nietzsche In this book Paolo Diego Bubbio offers an alternative to standard philosophical accounts of the notion of sacrifice which generally begin with the hermeneutic and postmodern traditions of the twentieth century starting instead with the post Kantian tradition of the nineteenth century He restructures the historical development of the concept of sacrifice through a study of Kant Solger Hegel Kierkegaard and Nietzsche and shows how each is indebted to Kant and has more in common with him than is generally acknowledged Bubbio argues that although Kant sought to free philosophical thought from religious foundations he did not thereby render the role of religious claims philosophically useless This makes it possible to consider sacrifice as a regulative and symbolic notion and leads to an unorthodox idea of sacrifice not the destruction of something for the sake of something else but rather a kenotic emptying conceived as a withdrawal or a making room for others

Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch Julia T. Meszaros,2016-03-03 In an age of self affirmation and self assertion selfless love can appear as a threat to the lover s personal well being This perception jars with the Biblical promise that we gain our life through losing it and therefore calls for a theological response In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch enquires into the anthropological grounds on which selfless love can be

said to build up rather than undermine the lover's self. It proposes that while the implausibility of selfless love was furthered by the modern deconstruction of the self, both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing. Julia T. Meszaros shows that they use the modern diagnosis of the human being's lack of a stable and independent self as manifest in Sartre's existentialism in support of an understanding of the self as relational and fallen. This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood. In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being's ontological selflessness, Meszaros closely engages Søren Kierkegaard's earlier attempt to keep selfless love and human flourishing in a productive dialectical tension. She also examines the breakdown of this tension in the later figures of Anders Nygren, Simone Weil, and Jean-Paul Sartre and addresses the pitfalls of this breakdown. Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God and of the reciprocal nature of selfless love.

Whispering the Strategies of Language: An Mental Journey through **Kierkegaard Faith Love Sharon Krishek**

In a digitally-driven earth wherever displays reign supreme and immediate connection drowns out the subtleties of language, the profound strategies and emotional nuances concealed within words usually get unheard. However, nestled within the pages of **Kierkegaard Faith Love Sharon Krishek** a fascinating fictional value pulsating with organic feelings, lies an exceptional journey waiting to be undertaken. Published by an experienced wordsmith, this wonderful opus encourages readers on an introspective journey, lightly unraveling the veiled truths and profound impact resonating within the very material of every word. Within the emotional depths with this moving evaluation, we shall embark upon a sincere exploration of the book is primary themes, dissect their fascinating writing style, and fail to the powerful resonance it evokes heavy within the recesses of readers hearts.

Kierkegaard Faith Love Sharon Krishek Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Kierkegaard Faith Love Sharon Krishek free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Kierkegaard Faith Love Sharon Krishek free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline

reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Kierkegaard Faith Love Sharon Krishek free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Kierkegaard Faith Love Sharon Krishek. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Kierkegaard Faith Love Sharon Krishek any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Kierkegaard Faith Love Sharon Krishek Books

1. Where can I buy Kierkegaard Faith Love Sharon Krishek books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Kierkegaard Faith Love Sharon Krishek book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Kierkegaard Faith Love Sharon Krishek books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Kierkegaard Faith Love Sharon Krishek audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Kierkegaard Faith Love Sharon Krishek books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
