Killing Bono I Was Bonos Doppelganger:

Killing Bono Neil McCormick, 2005-10-19 Longtime friend and reporter Neil McCormick reveals childhood and present day stories about Bono and his band U2 Some are born great Some achieve greatness Some have greatness thrust upon them And some have the misfortune to go to school with Bono Everyone wants to be famous But as a young punk in Dublin in the 1970s Neil McCormick s ambitions went way beyond mere pop stardom It was his destiny to be a veritable Rock God He had it all worked out the albums the concerts the quest for world peace There was only one thing he hadn t counted on The boy sitting on the other side of the classroom had plans of his own Killing Bono is a story of divergent lives As Bono and his band U2 ascended to global superstardom his school friend Neil scorched a burning path in quite the opposite direction Bad drugs weird sex bizarre haircuts Neil experienced it all in his elusive quest for fame But sometimes it is life s losers who have the most interesting tales to tell Featuring guest appearances by the Pope Bob Dylan and a galaxy of stars Killing Bono offers an extremely funny startlingly candid and strangely moving account of a life lived in the shadows of superstardom The problem with knowing you is that you ve done everything I ever wanted to Neil once complained to his famous friend I m your doppelganger Bono replied If you want your life back you ll have to kill me Now there was a thought *KILLING BONO*

, 2011 **Killing Bono** Neil McCormick, 2013 **Bono Vs. Bono** Frances Bono Erickson, 2013-09 Sonny Bono is dead Who are all these people What are they doing here This is my brother Why do I feel like such an outsider With these words the author begins a journey through the life of her family that spans more than half a century From the time of WWII this biography by Frances Bono Erickson provides insider views into the lives of the Bonos a large bonded Italian family living in Detroit Michigan that later relocates to California where the lure of fame and fortune is too attractive to ignore From their large close family gatherings replete with grandparents uncles aunts and cousins the hard working family is knitted together with old country mores shared meals and events and secret hopes But when the parents decide to follow their independent dreams devastation of the family occurs This is a cautionary tale What can happen when people marry too young how the strength of old country moral codes are no match for the wiles of contemporary con artists how the dreams of parents can result in the loss of a family and how a family surrounding a super star can be impacted by that person s success But it is also a tale of hope in its recounting as the author creates in her own life the joy and closeness with her husband children and her sister s family that was ripped from her original family by fate and the times Music fans of Sonny and Cher will enjoy the anecdotes and intimate looks into the lives of the musicians as they developed political insiders and fans of Sonny Bono Congressman will gain additional insights into the rising star and his sudden demise and caring families who choose to stay together will be warned about a new type of elder abuse that has risen in this country Historians and sociologists may enjoy the book for the time periods it represents and the cultural exploration of this large and dynamic Italian family And others seeking a good read with shocking twists will appreciate Bono vs Bono The book contains rare photos of family members
