Kim And Aggie Cleaning Solutions:

Television and Postfeminist Housekeeping Elizabeth Nathanson, 2013 In this book Nathanson examines how contemporary American television and associated digital media depict women's everyday lives as homemakers, career women and mothers. Her focus on American popular culture from the 1990s through the present reveals two extremes: narratives about women who cannot keep house and narratives about women who only keep house. Nathanson looks specifically at the issue of time in this context and argues that the media constructs panics about domestic time scarcity while at the same time offering solutions for those very panics. Analyzing TV programs such as *How Clean is Your House*, *Up All Night* and *Supernanny*, she finds that media's portrayals of women's time is crucial to understanding definitions of femininity, women's labor and leisure in the postfeminist context.

The Cleaning Bible Kim Woodburn, Aggie MacKenzie, 2007 You watched the TV programme and you bought the book but is your house still a bit dull round the edges? This work helps you with various tasks of a domestic nature. It features tips and tricks and uses natural products where possible.

How Clean Is Your House? Kim Woodburn, Aggie MacKenzie, 2005 The international bestseller *How Clean Is Your House* is a new kind of cleaning book: full color, hilarious and fun. Packed with trade secrets and inventive cleaning solutions, it goes through the house room by room, offering do's and don'ts, step by step, and before and after grime scene photographs. Kim Woodburn and Aggie MacKenzie are known as the queens of clean from Lifetime Television and The Oprah Winfrey Show. Tips include: Use a banana peel to dust plants; the dust clings to the skin and the juice nourishes the leaves. Leave laundry detergent to soak in your bathtub overnight; the tub will gleam in the morning, no scrubbing required. To loosen dirt and grease inside the microwave, put a few slices of lemon in an uncovered bowl of water and cook on high for 3 minutes.

The return of the housewife Emma Casey, 2025-04-08 An illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women. Housework is good for you. Housework sparks joy. Housework is beautiful. Housework is glamorous. Housework is key to a happy family. Housework shows that you care. Housework is women's work. Social media is flooded with images of the perfect housewife. TikTok and Instagram cleanfluencers produce endless photos and videos of women cleaning, tidying and putting things right. Figures such as Marie Kondo and Mrs Hinch have placed housework with its promise of a life of love and contentment at the centre of self-care and positive thinking. And yet housework remains one of the world's most unequal institutions. Women, especially poorer women and women of colour, do most low-paid and unpaid domestic labour. In *The return of the housewife*, Emma Casey asks why these inequalities matter and why they persist after a century of dramatic advances in women's rights. She offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker.

The Language of Jokes in the Digital Age Delia Chiaro, 2017-11-23 In this accessible book, Delia Chiaro provides a fresh overview of the language of jokes in a globalized and digitalized world. The book shows how, while on the one hand the lingua cultural nuts and bolts of jokes have remained
