Kinda Sorta American Dream Collected:

Kinda Sorta American Dream Steve Karas, 2015-12-10 In Steve Karas debut collection an unemployed autoworker finds himself at an elite seminar for aspiring Santa Clauses an IT specialist eagerly awaits the Mayan apocalypse in his parents basement as his father descends into dementia Through fourteen curiously ambivalent studies Karas methodically examines and reconfigures the core archetypes dot com entrepreneurs hard striving immigrants obsessive diner owners that haunt and dominate the American psyche Their narratives set against a dizzying panorama that stretches from the ruins of post 2008 Detroit to the desperate paradise of suburban Florida evoke the familiar American mythology of army bases Manhattan high rises and Midwestern video stores Yet Karas masterful minimalist portraits are ambiguous and tinged with uncertainty The winners losers and hopeless visionaries who populate Kinda Sorta American Dream are united in their relentless quest to induce massive disruption in their lives and their profound doubts about whether such radical change is possible

The Pleasure You Suffer Gerald Brennan, Leanna Gruhn, 2016-06-10 Saudade reportedly has no direct English translation it's a Portuguese word describing the nostalgic longing for something that may never return or may not exist This feeling can be strangely comforting author Manuel de Mello calls it A pleasure you suffer an ailment you enjoy It permeates the music of Brazil another nation steeped in slavery and sadness and the hope for a better life Yet this heartsick yearning's actually very familiar to those of us born and raised in North America we often call it the blues This saudade themed anthology explores this fascinating emotional territory in exciting poems and stories from a range of new and up and coming authors pieces that linger after the last page is turned

Rain Check Levi Andrew Noe, 2016-06-02 Beautifully rendered the stories in Rain Check could well be the footprints and photographs of our own lives if we'd have taken risks as daring as Noe's characters Each misstep triumph and regret rings true Reading these stories is like being a lucky voyeur who happens upon an artist with brush in hand nearing the finishing touch of their masterpiece Nothing is more potent than prose that lifts off the page and lands like a well placed bullet or caress on the heart and that's precisely what Noe has done here Len Kuntz author of Dark Sunshine and I'm Not Supposed to be Here and Neither Are You The tiny potent stories that make up this debut by Levi Andrew Noe both surprise and delight There's wisdom in these pages but also humor tenderness and magic Rain Check is a terrific read from a young author to watch Kathy Fish author of Wild Life Rift and Together We Can Bury It
