Can Talk, Revised 2nd Edition** Susan Levy, D.C.,2014-09-29 This book about the art and application of Clinical Kinesiology
introduces the energetic system that links mind and body It shows how the body can talk and therefore be used as a
diagnostic tool and to determine which healing approach will best suit an individual Clinical Kinesiology allows us to
interpret this new body talk This method of muscle testing reads the body s innate wisdom when asked a question or
presented with a stimulus the muscles respond clearly either strongly or weakly This system which expedites the application
of acupuncture also helps realign the body s energy imbalances Readers will find specific methods of fighting disease that
emphasize the dangers of unnecessary drugs antibiotics and immunization and the need for a fortified immune system
especially through natural foods Other topics include rebuilding the body s ecology after an overgrowth of unhealthy bacteria
or Candidiasis how to maintain the integrity of the energy system through minimizing exposure to unhealthy electromagnetic
fields or EMFs optimal health for woman and issues of men s health New material in this 2nd edition includes an extensive
chapter on children s health which addresses pregnancy birthing procedures and breastfeeding and illustrates a road map
for giving your children and children yet to come the best potential for optimal health
