King Lear William Shakespeare, 2010-07-10 The text of the play included here prepared by Craig Walker for The Broadview Anthology of British Literature has been acclaimed for its outstanding introductory material and annotations and for its inclusion of parallel text versions of key scenes for which the texts of the Quarto and the Folio versions of the play are substantially different Also included in this edition are excerpts from a variety of literary source materials including Geoffrey on Monmouth's *Historia Regum Britanniae* the anonymous *True Chronicle Historie of King Leir* and Samuel Harsnett's *A Declaration of Egregious Popish Impostures* material on the historical Annesley case that raised many of the same issues as does Shakespeare's play and the happy ending from Nahum Tate's version of the play which held the stage for 150 years after its first performance in 1681

The Tragedie of King Lear William Shakespeare, 2000-06 Applause Books In one of Shakespeare s most famous tragedies the three daughters of the king of Britain are put to the test of declaring their love for their father King Lear The test leads to the expulsion of the favorite daughter Cordelia the undermining of the king and ultimately the unraveling of Lear s sanity In true Shakespeare fashion greed war lust and misplaced good intensions intersect to form an inevitable climax of poison and swordplay making King Lear arguably the greatest tragedy of all time George Bernard Shaw wrote No man will ever write a better tragedy than Lear Shaw on Shakespeare Applause Books If there ever has been a groundbreaking edition that likewise returns the reader to the original Shakespeare text it will be the Applause Folio Texts If there has ever been an accessible version of the Folio it is this edition set for the first time in modern fonts The Folio is the source of all other editions The Folio text forces us to re examine the assumptions and prejudices which have encumbered over four hundred years of scholarship and performance Notes refer the reader to subsequent editorial interventions and offer the reader a multiplicity of interpretations Notes also advise the reader on variations between Folios and Quartos The heavy mascara of four centuries of Shakespearean glossing has by now glossed over the original countenance of Shakespeare s work Never has there been a Folio available in modern reading fonts While other complete Folio editions continue to trade simply on the facsimile appearance of the Elizabethan look none of them is easily and practically utilized in general Shakespeare studies or performances
