Kingdom Force Good News Series 7:

The Third Force in Missions Paul Anthony Pomerville, 2022-05-03 The Third Force in Missions challenges readers to recognize the indispensable role of the Holy Spirit as power for mission. It confronts the Western mentality that ignores the miraculous in its missions strategy and the global Pentecostal movement. Paul Pomerville suggests that such activity prompted and controlled by the Spirit is key to fruitful biblical missions. When *The Third Force in Missions* was first published in 1985, Paul Pomerville sought to draw attention to the Pentecostal contribution to missions. At that time, he argued there was an information gap regarding the size of this movement in spite of two waves of worldwide Pentecostal renewal. He argued that this gap existed because of evangelical bias against Pentecostalism, bias against charismatics in mainline churches, ethnocentrism toward Pentecostals in the developing world, and faulty reporting. Thirty years later, Pomerville once again argues the importance of the global Pentecostal movement seeking to correct the ongoing tunnel vision of world missions programs which, since the Protestant Reformation, have tended to ignore the Holy Spirit's work in today's missions. In this book, Pomerville exposes the serious methodological and theological flaws of such a one-sided position.

Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B. Green, Scot McKnight, and I. Howard Marshall, this reference work encompasses everything relating to Jesus and the Gospels.

The Beloved Son as Tantalizing Teacher Carl E. Roemer, 2021-08-23 *The Beloved Son as Tantalizing Teacher* is a contribution to the study of the historical Jesus. It is meant for anyone interested in Jesus as a person as well as part of the academic project of discovering his humanity and his place in history. To truly uncover him in this way, the facts of his Jewish historical context are foundational. The context is in terms of six dynamics or factors: the history of late antiquity of the Mediterranean world from Alexander to the destruction of the temple and how people in the land of Israel interacted with that history; Israel's economic, social, religious, and political structures; and the ecology of the land of Jesus' time. In particular, we understand Jesus and the movement he initiated as part of other renewal movements of his time and place that arose to confront what most of his contemporaries perceived as the corrosion of Jewish society. So the Jewish people of the first century, living in their patrimonial land of Israel, were embroiled in a crisis that threatened to overwhelm the nation. *The Beloved Son as Tantalizing Teacher* sums up the situation with the pithy phrase borrowed from one scholar: a people whose backs were against the wall.

Endangered Gospel John C. Nugent, 2016-06-16 For centuries Christians sought to rescue people from this world Today we re trying to fix it While this shift is helpful in some ways in other ways it can be quite dangerous *Endangered Gospel* flips the script on this conversation by stressing the core gospel truth that rather than ushering in a new world through social activism God s people already are the new world in Christ It s not our job to make this world a better place but to be the better place God has already made in this world That s good news If we let go of this truth we become servants of the world and not God We also lose the great joy and abundant life that God intended us to have in community Jesus himself said that the world will know we are Christians by our love for one another not the fervor of our activism Social action makes us feel relevant and alive but it can t be the center of our new life in Christ *Endangered Gospel* explores how we might enthusiastically embrace the social dimensions of the

gospel without divorcing them from the church or forcing them on the world Read this book hear the gospel story afresh and embrace the good news of God s kingdom
