Kingdom Keepers Lesson:

Lessons in Transonics Glen C. Cutlip, 2020-10-11 This Book as well as all other books and manuscripts published or yet unpublished written by the author began after a dream experience in which I was encouraged to write At that time it didn't seem possible that I could do such a thing However after other inner and outer experiences having taken place the process of writing began Although at first I wasn't sure of what I would be writing about for the writings were somehow inspired One dream experience of which one is not likely to forget is the one where a being of an higher inner realm whispered in my ear saying you are chosen But what for I wasn't sure at that time Another similar dream was one in which I was given the WORD to bring back Again at that time I wasn't sure what that meant However after several manuscripts were written and reread by me things began to fit into place That is the dream experiences were becoming a reality Although the writings must speak for themselves I feel now that I was chosen to present the WORD the WORD of the Transonic Consciousness which is the WORD embracing the realm of the end and the beginning of a cycle of time The Transonic WORD then is the WORD that takes in the harvesting of a previous cycle of time and the WORD for the beginning of a new cycle of time Therefore the WORD is the everlasting WORD the everlasting gospel as it were Inasmuch as the WORD is the everlasting WORD it is backed by an infinity of beings within the inner and outer realms of being First Lessons in Bee Culture or, Bee-Keeper's Guide - Being a Complete Index and Reference Book on all Practical Subjects Connected with Bee Culture - Being a Complete Analysis of the Whole Subject N. My Brother's Keeper Rev. Dr. Lewis J. Holmes, 2024-12-02 Because I am my Brother's Keeper every one of us has a story to tell or a testimony Something learned and could be shared would be beneficial in aiding to bring joy and a little happiness and hope in someone's life to possibly inspire a shift in consciousness This shift enables us to see and hear from a spiritual perspective Jesus said I have come that you might have life and have it more abundantly This abundance is brought through the workings of God's laws which are unchangeable infallible trustworthy and dependable laws that are guaranteed to work every time when we work within their structure We must know that it is God's good pleasure to give us the kingdom and all that is within but only if we ask and are open and receptive to receive it God is a loving God He will never push us but only guide us The choice is ours Will we listen and obey and find a purpose or will we just wander through life searching and unsatisfied I chose to listen and decided to continue writing down my thoughts revelations prayers and a few stories as well as a few lectures I facilitated on Truth Principles through my church the Power Circle Congregation under the leadership of Rev Dr Joseph E Hill in Chicago Illinois Please sit back Take off your shoes Relax and enjoy them Again like a pocketful of pearls this is not to teach a philosophy or a new way of life It is my thoughts prayers etc that help me live the quality of life in which I believe God intended me to live and I wanted to share that which lifted me up in hopes it will do the same for you Please enjoy [Bible studies: the Internat.
