Kingdom Of God Kindle Edition:

The Bhishma Way N Balasubramanian, 2015-12-24 Contemporary dilemmas whether in business or politics bear an uncanny resemblance to the predicaments witnessed in the ever timely epic the Mahabharata Who else but Bhishma Pitamah then to the rescue of the modern day manager politician or bureaucrat In the epic Bhishma is the upholder of truth and dharma his life shaped by the difficult choices he makes He isn't always infallible but even where his decisions are questionable he serves as a role model Prof N Balasubramanian uses this powerful figure and his selfless values as a guide to make the right choices in *The Bhishma Way* He discusses the importance of values dharma truth justice and governance in businesses and governments Analyses of real life cases among them Union Carbide and the Bhopal gas tragedy James Hardie and asbestos in Australia and Ok Tedi in Papua New Guinea complement the mythological stories and insightful anecdotes in this illuminating and thought provoking book This serves as an instructive read for anyone striving for a higher moral code in day to day decision making and leadership

Our Father in Heaven William Massaquoi, 2025-08-31 Prayer is a vital lifeline for the church worldwide Prayer can be vibrant and sincere and yet fail to align with the teachings of Christ In this book William Massaquoi presents biblical teaching on prayer that is rooted in an African context Returning to the prayer that Jesus taught his disciples Massaquoi demonstrates that the Lord's Prayer is not just a beautiful piece of liturgy but also offers practical guidelines for believers in how and what to pray guidelines that are still relevant today Each chapter expounds upon a section of the Lord's Prayer bridging the gap between understanding and practice through an explanation of the text and a discussion of how it is practically applied Massaquoi reminds us that prayer is essential for renewal growth and the advancement of the kingdom but deepening our prayer lives requires more than commitment to the act itself it requires understanding and obedience

The Missionary Kids Holly Berkley Fletcher, 2025-08-19 Historian Fletcher incisively explores the dark underbelly of American evangelical missionary work via the experiences of missionaries children Robustly researched and sharply analyzed it's an illuminating exposé with important implications for evangelical Christianity Publishers Weekly starred review Neither a celebration of missionaries nor a hatchet job this book is insightful and hard hitting while leaving space for a spectrum of voices to be heard Library Journal What do we learn about white evangelicalism from those raised by its heroes From historian Holly Berkley Fletcher herself a missionary kid comes this first of its kind examination of how the experiences of missionary kids illuminate broader currents in American Christianity As sidekicks to their parents and churches ambitions missionary kids MKs face questions many white Christians eventually ask about God's calling sacrifice

faith privilege racism abuse and what belonging means In *The Missionary Kids* Fletcher reveals how MKs have intimate access to the movement's logic longings and ideals With penetrating research sly wit and an empathic gaze Fletcher lays bare complicated emotions and troublesome truths She investigates how calling multiculturalism saints and indispensability can distract white American Christians from their own tradition's sins and failures Drawing on her experience as a Southern Baptist MK in Kenya on conversations with other missionary kids and on the work of psychologists historians missiologists and researchers Fletcher paints an intricate portrait of family life on the front lines of the missionary movement From boarding school to war zones and from sexual assault by adult missionaries to fending for themselves so as not to distract from the work of the Lord MKs bear the weight of their parents' choices and their churches' ideals Fletcher delves into the missionary industrial complex that shapes the lives of missionary families listening to MKs speak of the vexing wordless longing for the places they've lived For many years few people sought out MKs' real voices God had called their parents to do great things so the kids were beside the point But the children of missionaries are beneficiaries of evangelicalism's rewards and victims of its failings And now they are ready to talk

Here and Now Robby Gallaty, 2019-02-15 The Christian life was so much more than just a one-time decision to secure a place in heaven What if you could experience heaven on earth today Not flying angels singing on clouds but the fulfilled abundant life Jesus promised in the Bible a life that regardless of your circumstances or your present context experiences joy happiness and peace that is difficult to encapsulate in human terms What if heaven was available to us today Pastor and author Robby Gallaty thinks it is We have been taught that salvation is getting man out of earth to live in heaven when the Bible teaches that God desires to bring heaven to earth through man In *Here and Now* readers will journey together to uncover the nucleus of Jesus' messages which says the opposite Jesus spoke about the Kingdom of Heaven and the Kingdom of God both are synonymous as we will see more than any other topic No other concept is even close

Revelation: the World Conquest of the Kingdom of God John J. Melescue, 2013-06 The Interpretation of REVELATION by the Sanhedrin Romans and Disciples of Jesus Christ Inspired by the Devil the Sanhedrin and Romans had slain the Lord Jesus and now they were brutally murdering His disciples to rid the earth of His kingdom Jesus had instructed His saints Dearly beloved avenge not yourselves but rather give place unto wrath for it is written Vengeance is mine I will repay saith the Lord Rom 12:19 Finally the time for His vengeance had come the avenging of the blood of His saints was at hand He sent His hidden message in Revelation to His disciples to get out of His way Then Almighty God filled the vials of wrath until they overflowed with His fury The angels in heaven gave a harkening blast on the trumpets of war shaking the very foundations of heaven and earth And the armies of the Lord prepared for battle for the great day of God's wrath had come and no one would be able to stand against it This book will teach you the interpretation of Revelation for the three target audiences along with all the metaphors Jesus strategically selected for His greatest parable of all The Four Horsemen of the Apocalypse The Beast of the Land The Beast of the Sea with Seven Heads and Ten Horns The

Land Sea and Trees The Mark of the Beast and the Number of His Name 666 The Two Super Witnesses The Plague of Locusts The Seven Seals Seven Trumpets and Seven Vials of Wrath The Three Heavens The New Heaven and New Earth and New Jerusalem And much more **The Morality of Self-Defense and Military Action** David B. Kopel, 2017-02-16

Shedding new light on a controversial and intriguing issue this book will reshape the debate on how the Judeo Christian tradition views the morality of personal and national self defense Are self defense national warfare and revolts against tyranny holy duties or violations of God s will Pacifists insist these actions are the latter forbidden by Judeo Christian morality This book maintains that the pacifists are wrong To make his case the author analyzes the full sweep of Judeo Christian history from earliest times to the present combining history scriptural analysis and philosophy to describe the changes and continuity of Jewish and Christian doctrine about the use of lethal force He reveals the shifting patterns of thought in both religions and presents the strongest arguments on both sides of the issue The book begins with the ancient Hebrews and Genesis and covers Jewish history through the Holocaust and beyond The analysis then shifts to the story of Christianity from its origins through the Middle Ages and the Reformation up the present day Based on this scrutiny the author concludes that contrary to popular belief the legitimacy of self defense is strongly supported by Judeo Christian scripture and commentary by philosophical analysis and by the respect for human dignity and human rights on which both Judaism and Christianity are based **Finding Your Power to Be Happy: Seven Practices to Bring Unconditional Happiness into Your Life** D.E. Hardesty, 2015-04-25

Learn to find the happiness that is natural to you and enjoy better relationships better health more success and a longer life The peculiar thing about us humans is we spend a lot of time working to find people and things that will make us happy In fact we seem to spend the majority of our time doing this However there is no guarantee that any of this effort will work There are lots of people who have hordes of people around them and who have lots of things but have been unable to make themselves happy The truth is happiness can be had with little effort Have you ever been happy for no reason at all Of course you have Without anything changing in life happiness just appears We see it in young children all the time In fact we expect to see it in children If you happen to ask a smiling child why he or she is so happy at best the answer may be Because For an adult this may be an unsatisfying answer but for the child it is the truth happiness exists just because As we age we seem to lose touch with happiness for no reason at all We see a world where everyone is striving for stuff striving for popularity striving striving striving The natural fount of happiness we once enjoyed disappears as we join them However that happiness is not gone All that happened is we lost our connection to it This book is about recovering that connection We all grow up believing that if we work hard and if we are good people we will enjoy good relationships with others good health success and a long life Obviously this is not true There are a lot of rich old people who are not happy What we have what we do and the other circumstances of our lives do not provide authentic happiness Instead happiness comes from inside of us and all by itself enables us to have secure relationships good health

more success and longer lives So what is the secret of being happy Being happy is a little like flipping a switch When it s on you are happy and when it s off you are not It s so easy How else can you explain being happy for no reason What you need to do is learn to turn it on and keep it turned on This book discusses seven practices that help you do that There is a lot of wisdom available about how to be happy Most of it is thousands of years old but some is quite new The seven practices we will look at incorporate this wisdom to help you learn how to turn on happiness in your life This kind of happiness does not require changing anything in your life All you have to do is learn to turn it on PROMISES OF GOD'S GUIDANCE Edward

D. Andrews,2018-03-23 **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G.

Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Encountering the Living God Venner J.

Alston,2023-10-10 Experience His Glory Like Never Before God created us with a supernatural capacity to interact with Him Our genetic code is uniquely wired to sense and know Him Yet many believers shy away from this experiential knowledge Clearing away the confusion prophetic leader and teacher Venner J Alston not only gives you a biblical framework for encountering God but also helps you understand your supernatural capacity to engage with the living God discern the characteristics of true supernatural moments from heaven position yourself to experience God in deeper ways and more God desires all believers to expect and experience encounters with Him are you ready Shalom: God's Ultimate Purpose for the

World Dae-Young Lee,2021-06-23 What is our preconception about Muslims Do we continue to practice medical missions in a way that is no longer considered an effective means of presenting the gospel to the unreached Is our gospel message biblically balanced and firmly contextualized in the context that we try to serve There are numerous questions that we may ask ourselves when we desire to share God s love with people who are still alienated from it Christian cross cultural missions should reconsider the strategies and attitudes that no longer reflect biblical principles This book brings a lot of insightful

thoughts and suggestions from the author's medical ministry experience in the Arab world to those who want to reach out to the unreached. The theology of shalom enables us to deeply understand God's ultimate purpose toward the world that he created and to devote our lives to bring people to his kingdom in the humble way that Jesus has presented throughout his life on earth when he was with us. This book demonstrates how Christian medical missions can be manifested in a more biblical way and can serve people who have been physically injured and emotionally broken more effectively.

Evangelism and Social Concern in the Theology of Carl F. H. Henry Jerry M. Ireland, 2015-06-01 How do evangelism and social concern relate to one another in the mission of the church? How should the Old Testament's emphasis on social justice inform the praxis of modern believers? Does the Bible emphasize individual salvation or does it teach a broader, more inclusive concept? Theologians, missiologists, pastors, and educators have wrestled with these questions for centuries. But especially since the early part of the twentieth century, this debate has increasingly become a point of contention among evangelical Christians, with few indications that a consensus may soon be forthcoming. Yet few have offered so thorough an answer to these questions as has Carl F. H. Henry. Henry's regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward. This book explores Henry's thoughts on this subject and sets him in dialogue with numerous others who have written on these topics. Thus it will prove a valuable resource for all interested in this topic.

The Essential W. Carl Ketcherside B. D. Lewis, 2025-03-13 An overview of the life and controversial teachings of W. Carl Ketcherside (1908-1989) as reflected in his journal *Mission Messenger* and the numerous books he published over the years. Much of what Ketcherside wrote can be found in the writings of the fathers of the Stone-Campbell restoration movement, from which this book quotes extensively in support of his position. It is significant to note that division among Christians in early nineteenth-century America arose from differences in doctrinal deductions or interpretations as expressed in various creeds. The Campbells proposed that such deductions, referred to as opinions, should never be used as tests of Christian fellowship. In the twentieth century, division among Churches of Christ was and continues to be caused by differences in doctrinal interpretations as found in the various journals and other publications of each group. Ketcherside argued that such doctrines should never be used as tests of Christian fellowship. He based his position on scriptural premises set forth in numerous books and essays. Additionally, he cited the fathers of the Stone-Campbell Movement as evidence that Churches of Christ had abandoned the principles of restoration and reverted to the divisiveness of early nineteenth-century creedalism. The shift in how Churches of Christ view doctrinal differences began in 1889 with the proclamation and publication of the Sand Creek, Illinois Declaration by Daniel Sommer, which he titled *An Address and Declaration*, reversing the title of Thomas Campbell's *Declaration and Address* of 1809. This is a pre-publication copy of *The Essential W. Carl Ketcherside*. The Ketcherside Collection of supporting documents referenced in the book has not yet been set up by the site administrator. However, documents referred to in the book as part of that collection may be found on

Good News for Moderns Nero James Pruitt, 2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my church's teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitt's reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom

Entering God's Kingdom (Not) Like A Little Child Eunyung Lim, 2021-09-07 What does it mean to be like a child in antiquity How did early Christ followers use a childlike condition to articulate concrete qualifications for God's kingdom Many people today romanticize Jesus's welcoming of little children against the backdrop of the ancient world or project modern Christian conceptions of children onto biblical texts Eschewing such a Christian exceptionalist approach to history this book explores how the Gospel of Matthew 1 Corinthians and the Gospel of Thomas each associate childlikeness with God's kingdom within their socio cultural milieus The book investigates these three texts vis vis philosophical historical and archaeological materials concerning ancient

children and childhood revealing that early Christ followers deployed various aspects of children to envision ideal human qualities or bodily forms Calling the modern reader s attention to children s intellectual incapability asexuality and socio political utility in ancient intellectual thought and everyday practices the book sheds new light on the rich and diverse theological visions that early Christ followers pursued by means of images of children
