Wigram, 1843 The Englishman's Hebrew Concordance of the Old Testament George V. Wigram, 1996 This new edition of the standard work The Englishman's Hebrew Concordance of the Old Testament is an improved and corrected edition that features a new larger format Now coded to Strong's it is invaluable in Bible study for those who do not know Hebrew A new index of out of sequence Strong's numbers allows the reader to quickly and easily locate any word by its Strong's number The Hebrew and English indexes have been retained Rethinking the Acceptable Year Christopher James Luthy, 2019-11-13 The biblical Jubilee has enjoyed increasing prominence in Lukan and missional literature much of which has been based on suggested Jubilee allusions throughout Luke Acts especially Luke 4 16 30 This study questions the presence of such allusions arguing that the suggested references are better understood within the broader and more explicit tradition of the Basileia of God Every suggested Lukan textual and thematic reference to the Jubilee is examined with particular attention given to the Nazareth episode Luke 4 16 30 which is often cited as the most explicit Jubilee reference The study also addresses some fundamental issues which have informed recent exegeses including Luke's use of the term the theme of the Basileia of God throughout Luke Acts and the importance of Isaiah 61 both the first century traditions that may have influenced Luke as well as how Luke employed the text throughout his two part work *Accessing the Riches of Heaven* Patricia King, 2019-05-21 I just want to be in heaven When we enter seasons of hardship or shortage we yearn for the peace tranquility and abundance we know we will find in

heaven But did you know that God has given us access to the riches of heaven here on earth Bestselling author and entrepreneur Patricia King dives into Scripture and answers questions like What does accessing the riches of heaven look like What kinds of riches are there How can I receive my spiritual inheritance What impedes me from accessing this heavenly abundance Does God bestow different kinds of riches on different people The Father provides for his children and has given you the means to access his riches here and now Will you accept his invitation

A complete body of doctrinal and practical divinity; or, a system of Evangelical truths, deduced from the Sacred Scriptures. A new edition John GILL (D.D., Baptist Minister, at Horsley Down.),1815 Now in this eighth edition ... enlarged, and digested into one complete alphabetical dictionary by ... A. Simson, etc. [With a recommendatory address by E. Calamy; and a portrait of Wilson.]

Thomas WILSON (One of the six preachers in the Cathedral Church of Canterbury.),1678 **Reframing Biblical Theology** Daniel C. Fredericks,2025-08-26 Biblical theology is adequate only if wholly contextualized within the eternal natures of God creation and history A more thorough awareness of God s eternal design within creation and its history and a fuller perspective on the Messiah s commission avoids significant discontinuities such as universal and redemptive histories the gospels of Jesus and his apostles cross and kingdom of God centers heaven and a new earth and the role of sanctification in the Old and New Testaments This study suggests that God s eternal design for creation and its history subsumes a limited biblical theology that focuses on the solution to the sin problem at the expense of what has always been the eternal practical and productive objective of that solution and its current implications The church can focus on an urgent need for the rescue at the expense of the equally urgent and eternal purpose for that rescue A more comprehensive practical and productive theology of endless creation and its history contextualizes salvation and its eschatological focus by enveloping them as temporary components within God s eternal design

A Sketch of Exploration in Bible Lands Thomas Nicol, **Heaven and Earth in the Gospel of Matthew** Jonathan T. Pennington, 2007 A much overlooked aspect of the Gospel of Matthew is the theme of heaven and earth Rather than being a reverential circumlocution for God heaven in Matthew is part of a highly developed discourse of heaven and earth language Matthew's idiolectic way of using heaven language consists of four aspects 1 a distinction in meaning between singular and plural forms of ouranos 2 frequent use of the heaven and earth word pair 3 regular reference to the Father in heaven and 4 the recurrent use of the Matthean expression kingdom of heaven This book examines the historical precedents for each of these aspects and shows in Matthew how they serve one overriding theological purpose to highlight the tension that currently exists between heaven and earth or God and humanity while looking forward to its eschatological resolution **Ancient History** Samuel Griswold Goodrich, 1846
