**Kings and Presidents** Timothy R. Gaines, Shawna Songer Gaines, 2015-10-01 This book may not be the kind of thing you can discuss in polite company How do we deal with it What if a faithful approach to politics wasn't simply about who was going to win the next election How might our political hope change when we encounter a God who offers us a different kind of kingdom God isn't asking the church to be politically uniformed apathetic or even bi-partisan On the contrary God is asking us to be faithful citizens of the kingdom a kingdom of surprising hope where the majority of God's work to save the world will be done In *Kings and Presidents* authors Tim Gaines and Shawna Songer Gaines helps us recast our political hope by challenging the claim that history is written exclusively by the powerful Through a careful study of 2 Kings we will find that trusting in God's faithfulness is plenty political and it has real implications for our communities the world and the kind of political hope we can find in it all

**Kingdom Politics** Tony Evans, 2022-07-05 Christians love to talk about politics but the current conversation is full of contentious words that divide our churches and families Dr Tony Evans takes a step back to find foundational Bible principles for integrating politics into our daily lives He challenges readers to incorporate all of Scripture when addressing divisive issues forcing us to look at political issues we've neglected Learn to speak with grace when you disagree with family and friends Maintain your political affiliations without causing divisions in your church Take sides on moral issues while demonstrating the compassion and love of Jesus Christ *Kingdom Politics* offers a biblical path through one of the most divisive issues of our time

Official Report of the ... International Christian Endeavor Convention, 1896 *Jesus for President* Shane Claiborne, Chris Haw, 2019-07-30 Do the church and politics ever go together *Jesus for President* is a radical manifesto more urgent today than ever to awaken the Christian political imagination reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people set apart from this world This collaboration between Shane Claiborne's writing and stories Chris Haw's reflections and research and Chico Fajardo Heflin's 4 color art and design creates lyrical theology that poetically weaves together words and images to sing rather than dictate its message This one of a kind book includes Messages drawn from biblical theologians Lessons from church history Examples from modern day saints and ordinary radicals A poetic and illustrative perspective of faith This book is perfect for those who seek to follow Jesus rediscover the spirit of the early church and represent the kingdom of God *Jesus for President* stirs the imagination of what the church could look like if it placed its faith in Jesus instead of Caesar A fresh look at Christianity and empire *Jesus for President* transcends questions of Should I vote or not and Which candidate by thinking creatively about the fundamental issues of faith and allegiance
