

A wooden display case with glass panels. Inside, a book cover for 'King's Gambit' is the central focus. The case is decorated with various chess pieces: a black king, a white king, a white knight, a white pawn, and a black pawn. A small black and white photo of a family is at the top. Two small portraits of men are on the sides. The book cover has a yellow and white checkered background.

King's GAMBIT

A Son, a Father, and the
World's Most Dangerous Game

Kings Gambit A Son A Father And The Worlds Most Dangerous Game

L Towne

Kings Gambit A Son A Father And The Worlds Most Dangerous Game:

King's Gambit Paul Hoffman, 2007-09-11 As a young man Paul Hoffman was a brilliant chess player until the pressures of competition drove him to the brink of madness In King s Gambit he interweaves a gripping overview of the history of the game and an in depth look at the state of modern chess into the story of his own attempt to get his game back up to master level without losing his mind It s also a father and son story as Hoffman grapples with the bizarre legacy of his own dad who haunts Hoffman s game and life *Players and Pawns* Gary Alan Fine, 2015-08-06 A chess match seems as solitary an endeavor as there is in sports two minds on their own in fierce opposition In contrast Gary Alan Fine argues that chess is a social duet two players in silent dialogue who always take each other into account in their play Surrounding that one on one contest is a community life that can be nearly as dramatic and intense as the across the board confrontation Fine has spent years immersed in the communities of amateur and professional chess players and with *Players and Pawns* he takes readers deep inside them revealing a complex brilliant feisty world of commitment and conflict Within their community chess players find both support and challenges all amid a shared interest in and love of the long standing traditions of the game traditions that help chess players build a communal identity Full of idiosyncratic characters and dramatic gameplay *Players and Pawns* is a celebration of the fascinating world of serious chess **The Illustrated London News** ,1856 **The Saturday Review of Politics, Literature, Science and Art** ,1914 **Saturday Review of Politics, Literature, Science and Art** ,1914 *VideoHound's Golden Movie Retriever* Jim Craddock, 2001-08 *Newsweek* ,1967 **Cosmopolitan** Helen Gurley Brown, 1985-10 **The King's Gambit** John Shaw, 2013 There was a time when the Kings Gambit was the favorite chess opening of every attacking player In the glory days of Paul Morphy it was considered almost cowardly to play anything else Legends such as Spassky and Bronstein kept the flame burning in the 20th century but its popularity faded as many players are wary of sacrificing a pawn for long term compensation There are honorable exceptions whose games prove that this ancient weapon can still draw blood Morozevich Short Zvjaginsev and ex US Champion Yury Shulman are world class players who attack with the Kings Gambit *Winning with the King's Gambit* Andrew Soltis, 1992 The Fascinating King's Gambit Thomas Johansson, 2005-01 The Fascinating King s Gambit by Thomas Johansson This work is probably the first book devoted to investigating the entire Bishop s Gambit But that is not all A complete in depth repertoire against black s different ways of declining white s pawn offer is also provided A great service for those who may want to take up this opening with the white pieces The author laboured with the analytical work for nearly two years aiming to create one of the best theoretical guides to the King s Gambit ever written But if he fulfilled this ambition can of course only be determined by the reader What can not be denied is that Johansson shares a multitude of theoretical novelties and insights with his readers Basically offering them access to an almost unexplored world which until now has been reserved for a relatively small crowd of strong King s Gambiteers From the author of *The King s Gambit for the Creative Aggressor* Instead of going on and on about the content of

this book let me just quote a very famous King's Gambiteer grandmaster David Bronstein You want to play the King's Gambit Well Black can draw after 3 Nf3 Play 3 Bc4 if you want to win Visit the author's website at <http://hem.passagen.se/tjmisha/countdown.html>

The King's Gambit Viktor Korchnoi, Vladimir Grigor'evich Zak, 1974 *Winning with the King's Gambit* Joe Gallagher, 2021-01-29 This romantic opening is a real rarity at top level chess Probably the greatest expert on this line right now is England's Grandmaster Joe Gallagher Nigel Short in The Daily Telegraph The King's Gambit has always been a great favourite of tactical players However since its heyday in the nineteenth century it appeared only sporadically in Grandmaster chess Recently this has begun to change and the King's Gambit has once again become a force to be reckoned with A whole host of new ideas have appeared many of them introduced into international competition by the author himself and explained in this book

The King's Gambit Viktor Korchnoi, Vladimir Grigor'evich Zak, Steve Berry, 1986 *The King's Gambit as White* Bob Raingruber, Robert Raingruber, Lou Maser, 1995 **King's Gambit** Jan Pinski, John Shaw, 2007-05 The King's Gambit must be the favourite opening of every attacking player In the glory days of Paul Morphy in the nineteenth century to play anything else was regarded as almost cowardly but in modern times the popularity of the King's Gambit has faded Today's players under the malign influence of their computer programs are more materialistic and loath to sacrifice a pawn for long term compensation The honourable exceptions are Alexander Morozevich and Nigel Short two world class players who are willing to risk the King's Gambit John Shaw seeks to popularise this ancient opening with in depth analysis solving many of the supposed problems with this opening Despite the complexity of the material the reader will have no difficulties following the book as Shaw clearly explains the issues using his skill as an experienced author The romantic King's Gambit was favoured by the chess elite of the 19th century but can it thrive in the 21st century Grandmaster John Shaw takes up the challenge

[King's Gambit](#) Николай Михайлович Калиниченко, 2009 **King's Gambit** Viktor Korchnoi, Vladimir Grigor'evich Zak, 1986 Explains why the King's Gambit is such a good chess opening and shows and describes matches featuring this strategy

Winning with the King's Gambit Andy Soltis, 1992 **Play the King's Gambit: King's gambit accepted** Ильяков Эстрин, Igor B. Glazkov, 1982

Immerse yourself in the artistry of words with Experience Art with is expressive creation, Discover the Artistry of **Kings Gambit A Son A Father And The Worlds Most Dangerous Game** .
