Kingship And Sacrifice Kingship And Sacrifice

Bruce Lincoln

Kingship And Sacrifice Kingship And Sacrifice:

Kingship and Sacrifice Eamonn P. Kelly, Archaeology Ireland, 2006 *The Heathen School* John Demos, 2014
Longlisted for the 2014 National Book Award The astonishing story of a unique missionary project and the America it embodied from award winning historian John Demos Near the start of the nineteenth century as the newly established United States looked outward toward the wider world a group of eminent Protestant ministers formed a grand scheme for gathering the rest of mankind into the redemptive fold of Christianity and civilization Its core element was a special school for heathen youth drawn from all parts of the earth including the Pacific Islands China India and increasingly the native nations of North America If all went well graduates would return to join similar projects in their respective homelands For some years the school prospered indeed became quite famous However when two Cherokee students courted and married local women public resolve and fundamental ideals were put to a severe test The Heathen School follows the progress and the demise of this first true melting pot through the lives of individual students among them Henry Obookiah a young Hawaiian who ran away from home and worked as a seaman in the China Trade before ending up in New Engl John Ridge son of a powerful Cherokee chief and subsequently a leader in the process of Indian removal and Elias Boudinot editor of the first newspaper published by and for Native Americans From its birth as a beacon of hope for universal salvation the heathen school descends into bitter controversy as American racial attitudes harden and intensify Instead of encouraging reconciliation the school exposes the limits of tolerance and sets off a chain of events that will culminate tragically in the Trail of Tears In The Heathen School John Demos marshals his deep empathy and feel for the textures of history to tell a moving story of families and communities and to probe the very roots of American identity *City of 201 Gods* Jacob Olupona, 2011-12-13 The author focuses on one of the most important religious centers in Africa the Yoruba city of Ile Ife in southwest Nigeria The spread of Yoruba traditions in the African diaspora has come to define the cultural identity of millions of black and white people in Brazil Cuba Puerto Rico Trinidad and the United States He describes how the city went from great prominence to near obliteration and then rose again as a contemporary city of gods Throughout he corroborates the indispensable linkages between religion cosmology migration and kinship as espoused in the power of royal lineages hegemonic state structure gender and the Yoruba sense of place *The Cult of Kingship in Anglo-Saxon England* William A. Chaney, 1970

Kingship and Sacrifice Valerio Valeri, 1985-06-15 Valeri presents an overview of Hawaiian religious culture in which hierarchies of social beings and their actions are mirrored by the cosmological hierarchy of the gods As the sacrifice is performed the worshipper is incorporated into the god of his class Thus he draws on divine power to sustain the social order of which his action is a part and in which his own place is determined by the degree of his resemblance to his god The key to Hawaiian society and a central focus for Valeri is the complex and encompassing sacrificial ritual that is the responsibility of the king for it displays in concrete actions all the concepts of pre Western Hawaiian society By interpreting and

understanding this ritual cycle Valeri contends we can interpret all of Hawaiian religious culture

The Power of Tantra Hugh B. Urban, 2009-10-30 In the West the varied body of texts and traditions known as Tantra for more than two centuries has had the capacity to scandalize and shock For European colonizers Orientalist scholars and Christian missionaries of the Victorian era Tantra was generally seen as the most degenerate and depraved example of the worst tendencies of the so called Indian mind a pathological mixture of sensuality and religion that prompted the decline of modern Hinduism Yet for most contemporary New Age and popular writers Tantra is celebrated as a much needed affirmation of physical pleasure and sex indeed as a cult of ecstasy to counter the perceived hypocritical prudery of many Westerners In recent years Tantra has become the focus of a still larger cultural and political debate In the eyes of many Hindus much of the western literature on Tantra represents a form of neo colonialism which continues to portray India as an exotic erotic hyper sexualized Orient Which then is the real Tantra Focusing on one of the oldest and most important Tantric traditions based in Assam northeast India Hugh B Urban shows that Tantra is less about optimal sexual pleasure than about harnessing the divine power of the goddess that flows alike through the cosmos the human body and political society In a fresh and vital contribution to the field the author suggests that the real meaning of Tantra lies in helping us rethink not just the history of Indian religions but also our own modern obsessions with power sex and the invidious legacies of cultural imperialism

Sacrifice in Religious Experience Albert I. Baumgarten, 2002-01-01 The volume consists of collected papers from Taubes Minerva Center for Religious Anthropology conferences examining 1 the role of sacrifice in religious experience from a comparative perspective and 2 alternatives to sacrifice

Paradise Remade Elizabeth Buck, 2010-06-17 This is a book about the politics of competing cultures and myths in a colonized nation Elizabeth Buck considers the transformation of Hawaiian culture focusing on the indigenous population rather than on the colonizers She describes how Hawaii s established religious social political and economic relationships have changed in the past 200 years as a result of Western imperialism Her account is particularly timely in light of the current Hawaiian demands for sovereignty 100 years after the overthrow of the monarchy in 1893 Buck examines the social transformation Hawaii from a complex hierarchical oral society to an American state dominated by corporate tourism and its myths of paradise She pays particular attention to the ways contemporary Hawaiians are challenging the use of their traditions as the basis for exoticized entertainment Buck demonstrates that sacred chants and hula were an integral part of Hawaiian social life as the repository of the people s historical memory chants and hula practices played a vital role in maintaining the links between religious political and economic relationships Tracing the ways in which Hawaiian culture has been variously suppressed and constructed by Western explorers New England missionaries the tourist industry ethnomusicologists and contemporary Hawaiians Buck offers a fascinating rereading of Hawaiian history

Penitence and Sacrifice in Early Israel Outside the Levitical Law R. J. Thompson, 1963 *Diversity of Sacrifice* Carrie Ann Murray, 2016-05-09 The term sacrifice belies what is a complex and varied transhistorical and transcultural

phenomenon Bringing together scholars from such diverse fields as anthropology archaeology epigraphy literature and theology Diversity of Sacrifice explores sacrificial practices across a range of contexts from prehistory to the present Incorporating theory material culture and textual evidence the volume seeks to consider new and divergent data related to contexts of sacrifice that can help broaden our field of vision while raising new questions The essays contributed here move beyond reductive and simple explanations to explore complex areas of social interaction Sacrifice plays a key role in the overlapping sacred and secular spheres for a number of societies in the past and present How religious beliefs and practices can be integral parts of life on individual and community levels is of fundamental importance to understanding the past and present In addition to aiding scholarly research Diversity of Sacrifice enables students to explore this rich theme across Europe and the Mediterranean with clear discussions of theory and data *Kingship* Francis Oakley, 2008-04-15 From despots to powerless figureheads and from the Neolithic era to the present this book traces the history of kingship around the world and the tenacity of its connection with the sacred Considers the many forms that kingship took during this period including the Pharaohs of ancient Egypt the emperors of Japan the Maya rulers of Mesoamerica the medieval popes and emperors and the English and French monarchs of early modern Europe Explores the panoply of governing roles that kingship involved administrative military judicial economic religious and symbolic but focussing on its connection with the sacred Draws on the insights of cultural anthropology and comparative religion as well as the on the resources provided by historians **The Magic of the Otherworld** Morpheus Ravenna, 2023-07-08 Build Your Own Magical Practice Rooted in Celtic Traditions Shaped by ancient and mythological texts this book introduces you to a wellspring of Celtic magic and demonstrates how to apply these deep traditions to your unique contemporary practice Morpheus Ravenna helps you develop your skills from the ground up through rituals and deity work for healing empowerment justice and more With hands on activities woven alongside history and lore from all over the Celtic world you will master spiritual hygiene practices protection methods conflict magic and a variety of other topics Drawing upon polytheism animism and a connection to the Otherworld Morpheus provides instructions for blessing water conducting an ancestor elevation rite beginning a spirit alliance and creating a curse tablet You will advance your sorcery through divination sigil work necromancy and other techniques developing more powerful expertise every step of the way Includes a foreword by River Devora a multi traditional spirit worker healer clergyperson and teacher **The Cambridge Companion to Religion and War** Margo Kitts, 2023-05-11 Why is religion intertwined with war and violence These chapters offer nuanced discussions of the key histories and themes **The Find** Anna M Holmes, 2022-10-28 When human remains are found deep in an Irish peat bog the National Museum of Ireland takes charge and their bog body specialist Carrie O'Neill begins to investigate She notices unexpected features on this well preserved body and later tests suggest an intriguing history *The Design of the Psalter* Peter C. W. Ho, 2019-10-04 Good poetry is like a good painting the more you linger over it the more it reveals It is a deep well

that never runs dry And that is why the Psalter like a good painting keeps giving In the last four decades Psalms scholarship has found remarkable fruitfulness in reading the Psalter as a book that is in reading the Psalms as a unified composition with a metanarrative across its 150 poems Pivotal questions associated with this approach really boil down to two questions how and why How are individual psalms sequenced if at all and what is the design logic behind that macrostructure This volume seeks to answer those questions In essence the Psalter unfurls the story of the Davidic covenant While interest in the editing of the Psalter remains high in recent Psalms scholarship this interest has not led to clear consensus The specific and timely contribution of this volume is twofold First it consolidates the results of studies on groups of psalms Second it integrates poetic and thematic approaches that are typically separated in Psalms scholarship Readers will find results of this study surprising and their implications sobering

The Character of Kingship Declan Quigley, 2005-09 Combining strong theoretical arguments with a wealth of ethnography from kingships in Africa Asia and the Pacific this is an overview of the anthropology of kingship and a crucial reassessment of the contributions of Frazer and Hocart to debates about the nature and function of royal ritual

A History of Ireland in Ten Body Parts Ian Miller, 2024-09-05 Skulls height hands legs sex organs blood brains stomachs ears and corpses discover Irish history anew through the utterly unique prism of the human body From the brutal beheading of the red headed Clonycavan Man some 2 000 years ago to the ancient skulls believed to be those of giants stolen from islands off Ireland s west coast medical historian Dr Ian Miller brings readers on a delightfully gruesome journey through our rich heritage Learn about the fears of excessive tea drinking that were once such a great cause for concern on this isle scarcely believable Meet the doctors who revolutionised Irish medicine in the 19th century along with the deplorable bodysnatching that accompanied this progress Fact and folklore intertwine seamlessly throughout providing the reader with an endlessly fascinating account of matters historical and mythological

Death, War, and Sacrifice Bruce Lincoln, 1991-08-27 One of the world s leading specialists in Indo European religion and society Bruce Lincoln expresses in these essays his severe doubts about the existence of a much hypothesized prototypical Indo European religion Written over fifteen years the essays six of them previously unpublished fall into three parts Part I deals with matters Indo European in a relatively unproblematized way exploring a set of haunting images that recur in descriptions of the Otherworld from many cultures While Lincoln later rejects this methodology these chapters remain the best available source of data for the topics they address In Part II Lincoln takes the data for each essay from a single culture area and shifts from the topic of dying to that of killing Of particular interest are the chapters connecting sacrifice to physiology a master discourse of antiquity that brought the cosmos the human body and human society into an ideologically charged correlation Part III presents Lincoln s most controversial case against a hypothetical Indo European protoculture Reconsidering the work of the prominent Indo Europeanist Georges Dum zil Lincoln argues that Dum zil s writings were informed and inflected by covert political concerns characteristic of French fascism This collection is an invaluable resource for students of myth ritual

ancient societies anthropology and the history of religions Bruce Lincoln is professor of humanities and religious studies at the University of Minnesota Understanding Religious Sacrifice Jeffrey Carter,2003-03-31 This volume provides a thorough introduction to the major classic and modern writings dealing with religious sacrifice Collected here are twenty five influential selections each with a brief introduction addressing the overall framework and assumptions of its author As they present different theories and examples of sacrifice these selections also discuss important concepts in religious studies such as the origin of religion totemism magic symbolism violence structuralism and ritual performance Students of comparative religion ritual studies the history of religions the anthropology of religion and theories of religion will particularly value the historical organization and thematic analyses presented in this collection **The Ancient Indian Royal Consecration** J. C. Heesterman,2021-03-22 No detailed description available for The Ancient Indian Royal Consecration

As recognized, adventure as well as experience roughly lesson, amusement, as competently as harmony can be gotten by just checking out a ebook **Kingship And Sacrifice Kingship And Sacrifice** next it is not directly done, you could admit even more something like this life, roughly the world.

We have the funds for you this proper as capably as simple exaggeration to acquire those all. We have enough money Kingship And Sacrifice Kingship And Sacrifice and numerous ebook collections from fictions to scientific research in any way. in the midst of them is this Kingship And Sacrifice Kingship And Sacrifice that can be your partner.

Kingship And Sacrifice Kingship And Sacrifice Introduction

In today's digital age, the availability of Kingship And Sacrifice Kingship And Sacrifice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Kingship And Sacrifice Kingship And Sacrifice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Kingship And Sacrifice Kingship And Sacrifice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Kingship And Sacrifice Kingship And Sacrifice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Kingship And Sacrifice Kingship And Sacrifice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Kingship And Sacrifice Kingship And Sacrifice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Kingship And Sacrifice Kingship And Sacrifice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Kingship And Sacrifice Kingship And Sacrifice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Kingship And Sacrifice Kingship And Sacrifice books and manuals for download and embark on your journey of knowledge?

FAQs About Kingship And Sacrifice Kingship And Sacrifice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kingship And Sacrifice Kingship And Sacrifice is one of the best book in our library for free trial. We provide copy of Kingship And Sacrifice Kingship And Sacrifice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kingship And Sacrifice Kingship And Sacrifice. Where to download Kingship And Sacrifice Kingship And Sacrifice online for free? Are you looking for Kingship And Sacrifice Kingship And Sacrifice PDF? This is definitely going to save you time and cash in something you should think about.
