*Jezebel Unhinged* Tamura Lomax,2018-09-13 In *Jezebel Unhinged* Tamura Lomax traces the use of the jezebel trope in the black church and in black popular culture showing how it is pivotal to reinforcing men s cultural and institutional power to discipline and define black girlhood and womanhood Drawing on writing by medieval thinkers and travelers Enlightenment theories of race the commodification of women s bodies under slavery and the work of Tyler Perry and Bishop T D Jakes Lomax shows how black women are written into religious and cultural history as sites of sexual deviation She identifies a contemporary black church culture where figures such as Jakes use the jezebel stereotype to suggest a divine approval of the lady while condemning girls and women seen as hos The stereotype preserves gender hierarchy black patriarchy and heteronormativity in black communities cultures and institutions In response black women and girls resist appropriate and play with the stereotype s meanings Healing the black church Lomax contends will require ceaseless refusal of the idea that sin resides in black women s bodies thus disentangling black women and girls from the jezebel narrative s oppressive yoke

**Believe** Sam Frost, 2022-03-30 I don't claim to know all the answers most of the time I'm still figuring it out myself. But what I can do is share an insight into the challenges I've faced from depression, anxiety, social media, toxic relationships, body image issues, and grief. I can offer you tips that have helped me find the light when darkness is all that I could see. When Sam Frost first came to the nation's attention after winning the second season of *The Bachelor*, it was as though her life was a fairytale. Then a down-to-earth 25-year-old who wore her heart on her sleeve, she captivated Australians far and wide. When that chapter of her life ended, it left Sam heartbroken and facing a public battle with depression and anxiety, but the support she received from people who reached out to detail their own struggles encouraged her to take back control of her story. Since then, Sam has kept her connection with the public by being her authentic self, often raw and vulnerable, never hiding behind an illusion of perfection and always trying to be the best person she can be. She pushed herself to take on a high-profile radio gig and then became an actor. In 2020, with her sister Kristine, Sam launched *BELIEVE* by Sam Frost, an online community focusing on mental health where everyone is included and imperfection is celebrated. In *Believe*, Sam shares her own experiences navigating dark mental health periods and, alongside Kristine's own insights, offers warm, gentle inspiration and tips to help you come through to the other side of your own. *Believe* is a personal story, a battle cry, and a reassurance for the many of Sam's fans who have struggled as she has. Life isn't perfect, but we can try each day to make it beautiful, and Sam, Kristine, and *Believe* will be your companions through it all. I've had my fair share of battles, and I still believe in the good in the world. I still have faith. I believe that I'm on a journey of self-discovery, of growth and evolution, and I want you to come on the journey with me. Hopefully, my story will help you believe in all the beauty life has to offer.

**Grace Sticks** Kristina Robb-Dover, 2013-10-10. Even on a bumper sticker, grace is irresistible. *Grace Sticks: The Bumper Sticker Gospel for Restless Souls* is a light-hearted spiritual memoir and theological travel guidance for restless souls looking for more direction, more truth, and more life. Robb-Dover invites readers to reflect on how the bumper stickers they affix to their cars or entertain at traffic lights are themselves spiritual aspirations of sorts, pointing to One who is the Way, the Truth, and the Life. In their meanderings with bumper stickers as pit stops, readers will laugh, cry, be provoked, and be inspired to look for God in the most seemingly frivolous and unlikely of places. They'll discover in the process there's as much grace to be found in the journeying itself as in the destination.
