Lost At School Lost At School:

Lost at School Ross W. Greene, 2009-10-20 Detentions suspensions and expulsions are the established tools of school discipline but there s a big problem with these strategies they are ineffective for most of the students to whom they are applied

Lost and Found Ross W. Greene, 2016-03-28 Implement a more constructive approach to difficult students Lost and Found is a follow up to Dr Ross Greene s landmark works The Explosive Child and Lost at School providing educators with highly practical explicit guidance on implementing his Collaborative Proactive Solutions CPS Problem Solving model with behaviorally challenging students While the first two books described Dr Greene s positive constructive approach and described implementation on a macro level this useful guide provides the details of hands on CPS implementation by those who interact with these children every day Readers will learn how to incorporate students input in understanding the factors making it difficult for them to meet expectations and in generating mutually satisfactory solutions Specific strategies sample dialogues and time tested advice help educators implement these techniques immediately The groundbreaking CPS approach has been a revelation for parents and educators of behaviorally challenging children This book gives educators the concrete guidance they need to immediately begin working more effectively with these students Implement CPS one on one or with an entire class Work collaboratively with students to solve problems Study sample dialogues of CPS in action Change the way difficult students are treated The discipline systems used in K 12 schools are obsolete and aren t working for the kids to whom they re most often applied those with behavioral challenges Lost and Found provides a roadmap to a different paradigm helping educators radically transform the way they go about helping their most challenging students

Summary of Ross W. Greene's Lost at School Milkyway Media, 2024-01-22 Get the Summary of Ross W Greene s Lost at School in 20 minutes Please note This is a summary not the original book Lost at School by Ross W Greene presents a paradigm shift in addressing challenging behaviors in students The book illustrates this through the story of Joey a sixth grader whose disruptive behavior stems from confusion over assignments Greene critiques traditional disciplinary methods that view such children as attention seeking or manipulative advocating instead for understanding the specific skills they lack
