Life's Passion Kabiru Mohammed,2008-05 The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps

should've remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other Is It Real? Vonnie Ray, 2025-04-04 I am an American poet known for my thought provoking and emotive verses My work delves into themes of love loss and the human experience with a unique voice and style I captivate my readers with my powerful words My collection of poems delves into the human psyche with raw emotions and lyrical depth My poems explore love sacrifice and mental turmoil celebrating resilience and the quest for identity and peace It is a powerful intimate journey through life's chaos and humanity and the solace found in connection I suffer from schizophrenia and a mood disorder I dissociate myself often Sometimes I am unaware I have done it Most of the time I am out of touch with reality and sometimes I am in reality It depends when my brain decides to split I write each poem with emotional energy and what is on my mind at that time My book is exciting different and unique and it will make you ask yourself Is it real I want my readers to guess if the poem I wrote is real or make believe from a different perspective of how they interpret the message I am giving them through each of my poems I hope my readers enjoy reading my poems as much as I enjoyed writing them They call me Crazy 5150 insane crazy bitch batshit crazy Not normal Even though I agree with people who refer to me using those words toward me I also am a strong independent intelligent and yes weird individual I love myself and I want my readers to love my writing as well as who I am as the author Always keep people guessing that way no one can ever figure you out Enjoy God bless us all

Michele L. Sayre,2023-06-17 GUIDING SPIRITS VERITAS The beauty of poetry is that we try to express with the fewest

words possible the entirety of life and our natures and what it is like for us to live upon this planet Words become a song that we sing out into the universe trying to reach out to like minded souls It is our nature to express ourselves and share who we are with the cosmos There s a certain fearlessness attached to a poem when it s presented to the world There s always that one iota of fear where the poet feels that they are alone in their views and someone else will not get them at their most basic level of humanity Poetry is saying Here I am universe Take me as I am I hope you love me but if that cannot happen I will be satisfied if you just don t ignore me To be heard is to matter and that is all any of us want to fulfill the wish that our lives matter That what we think and feel and hope matters to someone other than ourselves This book is an exploration and experiencing of the world around us through the poet s eyes when she was much younger than she is now Through any age we all experience the same emotions desires wants dreams and just a heart felt wish that we matter to someone in this universe even if it s ourselves POETRY EXCERPT FROM THE BOOK Sweet Music Like the truest violin my heart sings in me It quivers and vibrates with my love for thee It shivers and shakes and begins anew This pulse in my heart it sings just for you An enchanting melody that follows me round not a more haunting melody can ever be found You are that violin and I am your bow Stroking you touching you loving you so The hardness the softness the shimmering air fills with sweet music because I m with you there It resonates and rings with the love we ve found My world is just music it rings with our sound I know our last note will never be played because I know this true love never fades
