Love Not The World Winning The War Against Worldliness:

Love Not the World Randy Leedy, 2012 An exposition of the biblical concepts of the world and worldliness Provided by publisher WINNING THE INVISIBLE WAR WITH CHRIST Akinbowale Isaac Adewumi, 2020-07-16 The reality of the invisible world and its wars is evinced by tangible realities in the physical ephemeral sphere Sometimes abstract scenes from the dream world appearing in form of sweet dreams or nightmares in human subconscious mind metamorphose into real life experiences to say the least The enigma that stems from these ethereal perspectives seems to stick in the silver lining of our day to day activities irrespective of any personal persuasion religious belief or freethinking conviction It is clear from these indications that the physical is largely ruled by the spiritual and that prevailing events in the affairs of mankind are the resultant effects of the sublime and impalpable causes There are invisible courts where decisions are made and verdicts are passed which influence visible happenings on this side of the divide and reflect such streaks in the elemental system in an unhinged manner It is mostly characterized by annoying recurrent misfortunes Author Isaac Adewumi in *Winning the Invisible War with Christ* proposes to people from all walks of life that invisible wars are inevitable and can only be won through Christ Who created all things He canvasses to the reader that the deployment of formidable spiritual arsenals listed in the book would put man in charge of his destiny give him his deserved dominion and guarantee his championship for the best in life instead of slaving under the domination of some cosmic forces The Christian Evangelist, 1904 *The Christian Union* Henry Ward Beecher, 1890 *Ancient River of Eden* Geoffrey A. Lindsay, 2018-03-21 Have you ever wondered how it is that we find ourselves on this tiny blue planet called Earth Is Earth the only lucky planet in our universe to harbor intelligent life How did that first speck of life materialize If you cant swallow the argument that it was just dumb luck then you may enjoy reading this pithy little book You will be amazed how the big bang theory scientific chronology of the fossil record and the adaptive radiation of lineages are in harmony with the Creation story in Genesis The *Ancient River of Eden* also touches on questions such as If there is a loving all seeing all powerful Creator why are there so many troubles in this world and What does he care if de land aint free O man river Dat ol man river He mus know sumpin but dont say nuthin The author shares some of his personal life experiences and gives a brief account of his coming to know the Lord connecting with Holy Spirit The book is sprinkled with references to the Old and New Testaments Jewish leaders demanded the crucifixion of Jesus only after Jesus clearly stated that he was indeed God John 18 36 and John 20 289 It is impossible for the human mind to technically grasp this supernatural occurrence called Immanuel but God did create both the natural dimension and a supernatural dimension in our universe After reading this book and exploring the ideas presented it is the authors hope that you will no longer be a doubting Thomas James Woodrow Kroll, 2007-06-14 The eleven lessons in this Bible study guide on the book of James encourage a greater understanding of basic principles for spiritual growth and maturity **The Complete Works of Thomas Manton, D.D.** Thomas Manton, 1870 The Interior , 1893 Issues for Jan
