Love Poems From The Japanese Shambhala Library:

Love Poems from the Japanese Sam Hamill,2003 An introduction by the poet and translator Sam Hamill the editor of this collection and short biographies of the poets are included BOOK JACKET *Tabou Book 1* Suzanne Stroh,2012-07-27 Brewing heiress Jocelyn Russet begins her Odyssey as erotic love and adventure collide with secret histories in book one of the five part TABOU saga **Forthcoming Books** Rose Arny,2003 **The Myth of Freedom and the Way of Meditation** Chögyam Trungpa,2002-02-12 Featuring a new foreword by Pema Chödrön this Tibetan Buddhist classic explores the meaning of freedom and how we can attain it through meditation Freedom is generally thought of as the ability to achieve goals and satisfy desires But what are the sources of these goals and desires If they arise from ignorance habitual patterns and negative emotions is the freedom to pursue these goals true freedom or is it just a myth In *The Myth of Freedom and the Way of Meditation* Chögyam Trungpa explores the true meaning of freedom showing us how our attitudes preconceptions and even our spiritual practices can become chains that bind us to repetitive patterns of frustration and despair He also explains how meditation can bring into focus the causes of frustration and how these negative forces can aid us in advancing toward true freedom Trungpa's unique ability to express the essence of Buddhist teachings in the language and imagery of contemporary American culture makes this book one of the best most accessible sources of the Buddhist doctrine ever written **Library of Congress Catalogs** Library of Congress,1980 **Only Companion** ,2006-11-14 Written by court princesses exiled officials Zen priests and recluses the 150 poems translated here represent the rich diversity of Japan's poetic tradition Varying in tone from the sensuous and erotic to the profoundly spiritual each poem captures a sense of the poignant beauty and longing known only in the fleeting experience of the moment The translator has selected these five line tanka one of the great traditional verse forms of Japanese literature from sources ranging from the classical imperial anthologies of the eighth and tenth centuries to works of the early twentieth century **Lovingkindness** Sharon Salzberg,Jon Kabat-zinn,2004-11 Throughout our lives we long to love ourselves more deeply and find a greater sense of connection with others Our fear of intimacy both with others and with ourselves creates feelings of pain and longing But these feelings can also awaken in us the desire for freedom and the willingness to take up the spiritual path In this inspiring book Sharon Salzberg one of America's leading spiritual teachers shows us how the Buddhist path of lovingkindness metta in Pali can help us discover the radiant joyful heart within each of us This practice of lovingkindness is revolutionary because it has the power to radically change our lives helping us create true happiness in ourselves and genuine compassion for others The Buddha described the nature of such a spiritual path as the liberation of the heart which is love The author draws on simple Buddhist teachings wisdom stories from various traditions guided meditation practices and her own experience from twenty five years of practice and teaching to illustrate how each one of us can cultivate love compassion joy and equanimity the four heavenly abodes of traditional Buddhism **The Book of Tea** Kakuzo Okakura,2003 Written in 1906 by a future

philosopher and Zen teacher this work which was intended to be read aloud in a famous salon interweaves the history of tea with Japanese society It also contains essays on spirituality poetry and art *Training the Mind & Cultivating Loving-kindness* Chögyam Trungpa,2005 Warning Using this book could be hazardous to your ego The slogans it contains are designed to awaken the heart and cultivate love and kindness toward others They are revolutionary in that practicing them fosters abandonment of personal territory in relating to others and in understanding the world as it is The fifty nine provocative slogans presented here each with a commentary by the Tibetan meditation master Chogyam Trungpa have been used by Tibetan Buddhists for eight centuries to help meditation students remember and focus on important principles and practices of mind training They emphasize meeting the ordinary situations of life with intelligence and compassion under all circumstances Slogans include Don t be swayed by external circumstances Be grateful to everyone and Always maintain only a joyful mind This edition contains a new foreword by Pema Chodron **Start Where You Are** Pema Chödrön,2004-03-09 This is a beautiful gift book edition with a ribbon marker of a modern day classic Start Where You Are is an indispensable handbook for cultivating fearlessness and awakening a compassionate heart With insight and humor Pema Ch dr n author of The Wisdom of No Escape and When Things Fall Apart presents down to earth guidance on how to make friends with ourselves and develop genuine compassion toward others The author shows how we can start where we are by embracing rather than denying the painful aspects of our lives Pema Ch dr n frames her teachings on compassion around fifty nine traditional Tibetan Buddhist maxims or slogans such as Always apply a joyful state of mind Don t seek others pain as the limbs of your own happiness Always meditate on whatever provokes resentment Working with these slogans and through the practice of meditation Start Where You Are shows how we can all develop the courage to work with our own inner pain and discover joy well being and confidence The Spring of My Life Kobayashi Issa,2019-06-18 An autobiographical blend of prose and haiku from one of Japan s greatest poets Kobayashi Issa 1763 1827 along with Bash and Buson is considered one of the three greatest haiku poets of Japan known for his attention to poignant detail and playful sense of humor Issa s most beloved work The Spring of My Life is an autobiographical sketch of linked prose and haiku in the tradition of Bash s celebrated Narrow Road to the Interior This edition also includes more than 160 of Issa s most revered haiku and an introduction that provides essential background on Issa s life as well as valuable information on translating and reading haiku This book is part of the Shambhala Pocket Library series The Shambhala Pocket Library is a collection of short portable teachings from notable figures across religious traditions and classic texts The covers in this series are rendered by Colorado artist Robert Spellman The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible reader friendly and applicable to everyday life **Haiku** Stephen Addiss,2009-10-13 A poetry collection honoring the haiku complete with poet biographies translator commentary and Japanese artwork This celebration of what is perhaps the most influential of all poetic forms takes haiku back to its

Japanese roots Beginning with poems by the seventeenth and eighteenth century masters Basho Busson and Issa the anthology goes all the way up to the late twentieth century to provide a survey of haiku through the centuries in all its minimalist glory The translators have balanced faithfulness to the Japanese with an appreciation of the unique spirit of each poem to create English versions that evoke the joy and wonder of the originals with the same astonishing economy of language An introduction by the translators and short biographies of the poets are included Reproductions of woodblock prints and paintings accompany the poems

The Places That Scare You Pema Chödrön, 2002-08-13 A lively and accessible take on ancient techniques for transforming terror and pain into joy and compassion from beloved Buddhist teacher Pema Chödrön O The Oprah Magazine Lifelong guidance for changing the way we relate to the scary and difficult moments of our lives showing us how we can use our difficulties and fears as a way to soften our hearts and open us to greater kindness We always have a choice in how we react to the circumstances of our lives We can let them harden us and make us increasingly resentful and afraid or we can let them soften us and allow our inherent human kindness to shine through In The Places That Scare You Pema Chödrön provides essential tools for dealing with the many difficulties that life throws our way teaching us how to awaken our basic human goodness and connect deeply with others to accept ourselves and everything around us complete with faults and imperfections Drawing from the core teachings of Buddhism she shows the strength that comes from staying in touch with what's happening in our lives right now and helps us unmask the ways in which our egos cause us to resist life as it is If we go to the places that scare us Pema suggests we just might find the boundless life we've always dreamed of
