Luke's Portrait of Gentiles Prior to Their Coming to Faith Christoph W. Stenschke, 1999 Christoph W Stenschke examines Luke's portrait of the Gentiles state prior to their coming to Christian faith Following the history of research he commences with Luke's direct references to the Gentiles prior to faith and then draws conclusions concerning their state from the Gentile encounter with Jesus and Christian salvation This includes Luke's notes on the condition of Gentiles and on their appropriation of salvation Finally conclusions from Luke's portrayal of Gentile Christians are drawn With his approach Christoph W Stenschke challenges some previous contributions to Lukan anthropology He argues that the main study in the field J W Taeger *Der Mensch und sein Heil* does not sufficiently consider all the evidence By concentrating on the Gentiles in Luke Act including Samaritans and God fearers the author's thesis covers all the relevant material Contrary to Taeger who suggests that Gentiles do not need salvation as much as correction he discovers that Luke portrays Gentiles prior to faith in a condition requiring God's saving intervention Thorough correction has to accompany and follow this salvation Though allowing for distinct Lukan emphases this portrait is not essentially at odds with that of other NT authors These results further show that the Areopagus speech needs to and can be satisfactorily interpreted in its context and in conjunction with similar statements The author further argues that Luke's narrative sections and the characterization they present should no longer be neglected in favour of the speeches Luke's portrayal of Gentiles prior to faith also bears on his understanding of sin and provides additional justification for the Gentile mission Christoph W Stenschke challenges proposals of Luke's alleged anti Judaism and provides some hitherto little noticed correctives **Kept by the Power of God** Ian Howard

Marshall, 1995-01 *The Race Set Before Us* Ardel B. Caneday, Thomas R. Schreiner, 2025-10-30 Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry **The**

Dispensational-Covenantal Rift R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the

Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today [The British National Bibliography](#) Arthur James Wells,1996 *The Pursuit of Belief - Christian Classics Collection* Johann Wolfgang von Goethe,Martin Luther,Henryk Sienkiewicz,Dante Alighieri,Henry Van Dyke,David Hume,James Allen,Ralph Waldo Emerson,Andrew Murray,John Bunyan,Grace Livingston Hill,Thomas Paine,Voltaire,Lew Wallace,John Milton,Charles M. God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering, Volume Two Jeff B. Pool, 2010-01-01 This book constitutes the second volume of a three volume study of Christian testimonies to divine suffering God s Wounds

Hermeneutic of the Christian Symbol of Divine Suffering vol 2 Evil and Divine Suffering The larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God This second volume of studies proceeds on the basis of the presuppositions of this symbol those implicit attestations that provide the conditions of possibility for divine suffering that which constitutes divine vulnerability with respect to creation as identified and examined in the first volume of this project an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love The second volume then investigates the first two divine wounds or modes of divine suffering to which the larger family of testimonies to divine suffering normally attest 1 divine grief suffering because of betrayal by the beloved human or human sin and 2 divine self sacrifice suffering for the beloved human in its bondage to sin or misery to establish the possibility of redemption and reconciliation Each divine wound thus constitutes a response to a creaturely occasion The suffering in each divine wound also occurs in two stages a passive stage and an active stage In divine grief God suffers because of human sin betrayal of the divine lover by the beloved human divine sorrow as the passive stage of divine grief and divine anguish as the active stage of divine grief In divine self sacrifice God suffers in response to the misery or bondage of the beloved human s infidelity divine travail focused on the divine incarnation in Jesus of Nazareth as the active stage of divine self sacrifice and divine agony focused on divine suffering in the crucifixion of Jesus of Nazareth as the passive stage of divine self sacrifice **The Christian Observer** ,1830

Brother Lawrence's reflections, the philosophical inquiries of Friedrich Nietzsche or the narrative power found in Fyodor Dostoevsky's tales, the anthology captures a multitude of perspectives that contribute to its overarching theme of spiritual strength and faith. The contributions hail from a spectrum of renowned thinkers and writers, each lending unique insight into the historical and cultural milieu that shaped their works. Reformation Theology Matthew Barrett, 2017-03-16 Five hundred years ago the Reformers were defending doctrines such as justification by faith alone, the authority of Scripture, and God's grace in salvation, some to the point of death. Many of these same essential doctrines are still being challenged today, and there has never been a more crucial time to hold fast to the enduring truth of Scripture. In *Reformation Theology*, Matthew Barrett has brought together a team of expert theologians and historians writing on key doctrines taught and defended by the Reformers centuries ago. With contributions from Michael Horton, Gerald Bray, Michael Reeves, Carl Trueman, Robert Kolb, and many others, this volume stands as a manifesto for the church, exhorting Christians to learn from our spiritual forebears and hold fast to sound doctrine rooted in the Bible and passed on from generation to generation. God's Power, Jesus' Faith, and World Mission Steve Mosher, 2019-10-25

In writing to the Roman believers, Paul emphasizes God's kingly power at work, beginning with Jesus' faith. All who share that faith are to continue his mission. With new servant righteousness and God's power, they challenge popular forms of piety that are comfortable with wealth, domination, and violence. The persecuted mission of Jesus brings together humble believers from diverse cultures under one Lord, the risen Jesus. The British National Bibliography, 1968 **50 Christian Books -**

Where Wisdom May Be Found Edward P. Meadors, 2019-08-29 All Christian colleges and universities hail the integration of faith and learning as a premier mission objective. There is less agreement as to what the integration of faith and learning should look like in pedagogical and cross-disciplinary terms. This volume proposes that faith and learning are interrelated from the start. Discovery of truth within the academic disciplines cultivates discipline-specific wisdom that both accords with all reality and complements the whole counsel of God. **Where Wisdom May Be Found** brings together a faculty of twenty-seven accomplished voices from across curricula to celebrate each field's capacity for revealing wisdom from all corners of God's creative design. In synthesis, these voices declare the depth and richness of the wisdom and knowledge of God for the educational advancement and holistic equipping of the corporate people of God. **Theologians You Should Know** Michael Reeves, 2016-06-14 Whether you realize it or not, you are the beneficiary of centuries of careful study and reflection on God's Word. The writings and teachings of figures from the past are crucial to what the church believes today. But just like intriguing guests of honor at a dinner party, these theologians can be intimidating to get to know. Introducing you to the lives and thought of figures such as the Apostolic Fathers, Justin Martyr, Augustine, Thomas Aquinas, Martin Luther, John Calvin, Karl Barth, and others, this book makes the writings of these significant theologians accessible and approachable.

opening up for you the riches of church history and enlarging your vision of God and his plan for the world **The Challenges of Cultural Discipleship** Richard J. Mouw, 2011-11-21 Richard J. Mouw is well known for his incisive views on the intersection of culture and Christianity and for his efforts to make the thought of major Dutch theologian Abraham Kuyper accessible to average Christians. In this volume, Mouw provides the scholarly backstory to his popular books as he interprets, applies, expands on, and at times even corrects Kuyper's remarkable vision for faith and public life. In thirteen essays, Mouw explores and develops the Kuyperian perspective on key topics in Christian cultural discipleship, including public theology, sphere sovereignty, education, creation, and more. He deftly articulates an ecumenically enriched neo-Calvinist or neo-Kuyperian perspective that appropriates and contextualizes the ideas and insights of this important theologian and statesman for new challenges in Christian thought and service.
