**The World's Sixteen Crucified Saviors** Kersey Graves, 1975-06 1875 Christianity Before Christ Startling and extraordinary revelations in religious history which disclose the oriental origin of all the doctrines principles precepts miracles of the Christian New Testament furnishing a key for unlocking many of the mysteries of the Bible *The World's Sixteen Crucified Saviors Or, Christianity Before Christ* Kersey Graves, 2023-07 *The World's Sixteen Crucified Saviors Or Christianity Before Christ* is a book written by Kersey Graves. It presents a comparative analysis of various religious and mythological figures from different cultures who share similarities with the story of Jesus Christ. Graves argues that these figures including Horus, Mithras, Krishna, and others predate Christianity and share common elements such as virgin births, crucifixion, and resurrection. The book challenges the uniqueness and exclusivity of Christianity by suggesting that the narrative of Jesus' life and death is not entirely original but draws upon earlier mythologies and legends. Graves explores the possibility of a universal human need for a savior figure and suggests that the story of Jesus Christ is a continuation of a long-standing mythological tradition. *The World's Sixteen Crucified Saviors* generated controversy and sparked debates upon its publication. While some scholars and critics question the accuracy and reliability of the comparative analysis presented by Graves, the book remains significant for its exploration of the historical and cultural context of religious stories and the influence of earlier traditions on Christianity.

Graves, 2013-02-19 The World's Sixteen Crucified Saviors or Christianity Before Christ is an 1875 book written by Kersey Graves It asserts that Jesus was not an actual person but was a creation largely based on earlier stories of deities or god men saviours who had been crucified and descended to and ascended from the underworld It has been noted that Graves derived many of the most important facts collated in this work from the comprehensive 1833 work the Anacalypsis by Sir Godfrey Higgins These works thus present an early variant of what would come to be known as the Jesus myth hypothesis [The Da Vinci Hoax](#)
