Key Determinants Of National Development Historical Perspectives And Implications For Developing Economies:

Key Determinants of National Development Professor Kwaku Appiah-Adu, Dr Mahamudu Bawumia, 2015-08-28 *Key Determinants of National Development* addresses a suite of critical themes regarded by development experts to be germane in considering the pertinence of policies and their effective execution. These seven general thematic areas are explored: Leadership governance policy and strategy; Public sector and public financial management; Culture institutions and people; Natural resources; Science technology and infrastructure; Private sector and financial markets; Marketing branding and service delivery. This thematic approach enables the contributors to explore the impact of the constituents of each subject area on national development within the context of a developing economy. The significance of the findings for the relevant stakeholders is consequently reviewed. The combination of theory and practice makes the book and its contents unique.

Key Determinants of National Development Kwaku Appiah-Adu, Mahamudu Bawumia, 2015 *Key Determinants of National Development* Kwaku Appiah-Adu, Mahamudu Bawumia, 2016-03-09 For those wishing to acquire knowledge on national development issues, this comprehensive compendium traverses a spectrum of subjects that the audience ought to be well acquainted with. The Editors provide instructive findings regarding national development, economic growth and their determinants, but they also offer historical perspectives on the subject and the implications for developing countries. The book addresses a suite of critical themes regarded by development experts to be germane in considering the pertinence of policies and their effective execution. These seven general thematic areas are explored: Leadership governance policy and strategy; Public sector and public financial management; Culture institutions and people; Natural resources; Science technology and infrastructure; Private sector and financial markets; Marketing branding and service delivery. This thematic approach enables the contributors to explore the impact of the constituents of each subject area on national development within the context of a developing economy. The significance of the findings for the relevant stakeholders is consequently reviewed. The combination of theory and practice makes the book and its contents unique. **Emerging Trends in the Development and**

Application of Composite Indicators Jeremic, Veljko, Radojicic, Zoran, Dobrota, Marina, 2016-09-12 Perceiving complex multidimensional problems has proven to be a difficult task for people to overcome. However, introducing composite indicators into such problems allows the opportunity to reduce the problem's complexity. *Emerging Trends in the Development and Application of Composite Indicators* is an authoritative reference source for the latest scholarly research on the benefits and challenges presented by building composite indicators and how these techniques promote optimized critical thinking. Highlighting various indicator types and quantitative methods, this book is ideally designed for developers, researchers, public officials and upper level students.

The Oxford Handbook of State Capitalism and the Firm Mike Wright, Geoffrey T. Wood, Alvaro Cuervo-Cazurra, Pei Sun, Ilya Okhmatovskiy, Anna Grosman, 2022-08-01 There has been a major revival of interest in State Capitalism: what it is, where it is found and why it is seemingly becoming more ubiquitous. As

a concept it has evolved from radical critiques of the Soviet Union to being deployed by neo liberals to describe market reforms deemed imperfect to settle into a middle ground as a pragmatic way to describe the state assuming a role as an active economic agent in addition to its regulatory social and security functions The latter is the central focus of this book although due attention is accorded to the origins of state capitalism and how it has changed over the years as well as contemporary ways in which state capitalism may be theorized This economic agency may assume direct forms for example via state owned enterprises However it may also be indirect for example actively serving private interests through promoting insider firms who may occupy monopolistic market positions and perform outsourced state functions In turn this leads to raising salient governance questions The latter may encompass agency tensions between public ownership and political or even private interest control it may also include issues of transparency and monitoring Although state capitalism has often been depicted as the preserve of states in the global south be they developmental or predatory many forms of state capitalism are visible in mature economies be they liberal or coordinated and this is not always associated with superior governance arrangements indeed this is an area where clear and easy divisions between the developing or emerging world and the developed or mature world may increasingly be breaking down This volume brings together the accounts of leading experts from around the world it is explicitly multi disciplinary and both consolidates the existing knowledge base and provides new novel and counter intuitive insights

The Economy of Ghana Mozammel Huq, Michael Tribe, 2018-09-12
The book follows a first edition published in 1989 which focused on the severe economic crisis Ghana faced during the late 1970s and the early 1980s In this second edition the authors extend the review up to the mid 2010s covering the entire period since independence with a special focus on shifts in economic policy starting with the adoption of the Economic Recovery Programme in 1983 Huq and Tribe provide systematic coverage of Ghanaian economic development since its independence reviewing the two main modes of development that have been practiced and offer an updated rich data bank By analyzing the wider macroeconomy of Ghana its individual sectors money banking and trade infrastructure and environmental policies and Ghana's poverty welfare and income distribution the authors are able to draw vital lessons from the country's economic development

The Diversity of Emerging Capitalisms in Developing Countries Eric Rougier, François Combarnous, 2017-04-06
This book presents the results of a collective and original empirical investigation of the institutional systems underlying the capitalisms

that are coming to the fore in developing nations While varieties of industrialized countries capitalisms are extensively scrutinized those of developing countries capitalisms are far less documented By implementing a unified and original comparative approach based on the institutional complementarity theory the different contributors of the book find evidence for the originality and heterogeneity of the forms of capitalism to be observed in developing countries This text analyses capitalist systems as clusters of sectoral institutions and regulations identifying differences between these clusters in a large sample of emerging and developing countries Rougier and Combarrous bring together contributions answering the following questions What are these clusters of institutions underlying emerging capitalisms Are there common or specific patterns of institutional clustering across countries and what are the main characteristics of the varieties of capitalism they shape What are their main long term determinants Are there specific patterns of economic outcome associated with these clusters Can different forms of institutional complementarity be observed How can we analyse institutional reform from this perspective

Poskytování telepractice v logopedii Hanáková, Adéla, Hrudová, Tereza, Šimůnková, Kristýna, V pandemick situaci způsoben COVID 19 která omezila i zcela zastavila mnoho specialistů i pravidelným poskytováním intervencí se nepochybně stalo i v tomto fenoménu poskytováním logopedických péčí na dálku Cílem předložené publikace je poskytnout ucelený pohled na moderní technologie které zejména v době celosvětové pandemie COVID 19 hrály velmi důležitou roli v poskytování logopedických intervencí Hlavním cílem výzkumního projektu byla analýza subjektivního názoru a postoje logopedů v České republice k poskytování telepractice *Innovation in Developing and Transition Countries* Alexandra Tsvetkova, Jana Schmutzler, Marcela Suarez, Alessandra Faggian, 2017-09-29 This edited volume offers a multidisciplinary perspective on innovation challenges and innovative practices in the context of developing and transition countries The contributions mostly embrace a national innovation system approach in an attempt to understand innovation processes and their implications at both macro and micro levels

Catching Up And Falling Behind: Post-communist Transformation In Historical Perspective David A Dyker, 2004-07-05 In this collection of essays David A Dyker explores some of the most difficult and fascinating aspects of the process of transition from autocratic real socialism to a capitalism that is sometimes democratic sometimes authoritarian The stress is on the economic dimension of transformation but the author sets the economic drama firmly within a political economy framework and a historical perspective Trends in key economic variables are analysed against the background of the struggle between different social and political groups for power and command over resources While the book pays due attention to topical issues like EU enlargement the underlying perspective is a long term one Transition is viewed not as a set of once and for all institutional changes or a process of short term stabilisation but as a historic opportunity to solve the inherited problem of poverty and underdevelopment in Central East Europe and the former Soviet Union The book ends with a critical assessment of how economics as a discipline has coped with the challenge of that historic opportunity **Air Quality Assessment**
