sucks but as a Pisces dragon shifter I go where the Oracle tells me Right now the stars say Mason Forge needs to be here slinging coffee in rural Virginia which means my dragon energy is meant to inspire one of the human residents Sure I d prefer to be a defender of my race like my father but the Zodiac Brotherhood plays a limited role since the peace accord with the Saint s Order the secret society that traditionally hunted my kind The moment I meet Reagan I know she s the reason the stars have guided me to Thornsboro but the specifics of her secret project are a mystery When she finally trusts me enough to share that she s investigating the Saint s Order I m horrified I ve been unwittingly helping her uncover the one story that could be a critical threat to my kind To make things right I have to leave her Only my dragon has chosen Reagan as his mate and with my inner beast calling the shots staying away is no longer an option
