Should I Medicate My Child? Lawrence Diller, 2003-04-17 When *Running on Ritalin* was published in 1998 it touched off a firestorm about treating children with psychiatric drugs Dr Lawrence Diller established himself as the leading expert on the controversial use of stimulants for attention deficit disorder Since then parents physicians teachers and psychologists have clamored for his expertise on psychological problems beyond ADD and on drugs beyond Ritalin More and more parents are asking the simple question Should I medicate my child The answer is not as simple as some experts say Children who are angry intense distractible over energetic obsessive shy listless or remote rarely benefit from an either/or strategy Unlike those with a strong pro or anti drug agenda Dr Diller advocates a balanced approach he shows how a wise pediatrician one who prescribes drugs but also urges non pharmaceutical interventions when possible makes decisions Should I Medicate My Child empowers parents to ask the same questions Dr Diller poses in diagnosis and treatment Have all non drug approaches been tried Is the diagnosis accurate What is known or unknown about the recommended drug Calmly comforting authoritative and illustrated with real life examples Should I Medicate My Child is essential reading for parents who have been told their preschooler should be tested for a disorder whose fifth grader has been prescribed Prozac or Depakote or whose teenager has been diagnosed with a chemical imbalance Should I Medicate My Child features a detailed easy to access Appendix of Frequently Prescribed Drugs what they do side effects dosages and more Should I Medicate My Child answers parents vital questions Is it fair to discipline my hyperactive child if he can't help himself when he misbehaves Choosing the right kind of discipline is essential Often the time honored time out is not the best choice The psychiatrist says the medication he is prescribing is safe How can I know if that is true Dr Diller's detailed Appendix includes little known information on how or if a drug has actually been tested on children Does it make good sense to use medication right away Dr Diller explains why this can sometimes be the best course of action My pediatrician says there are drugs that will help my shy six year old be more outgoing Is this true Prescribing drugs for withdrawn children is a risky business Dr Diller explains why and offers alternatives to help ease their distress

Innocence Betrayed H. J. Wisocki, C. J. Szajnecki, 2007-07 How can a person recover from the devastation caused by a trusted pastor The church is a safe haven isn't it Jim was proud of his four daughters and they had no reason to believe there was evil lurking in their beloved church His trust in clergy was unconditional The new pastor came and methodically dissected the family ripping them apart with such calculated expertise Jim didn't see it coming By the time he realized what was happening his family was almost destroyed and he knew he had to take action to save his girls His battle with the church administrators to right the wrongs was brutal but Jim's faith in God was steadfast As a fictional story the heart wrenching details bring awareness to similar situations in churches of all denominations today The book offers help and healing to those who have given their unconditional trust to religious authority
