Parker's Debt to Pay** Reed Farrel Coleman, 2016 New York Times bestseller The brilliant new novel in Robert B Parker's New York Times bestselling series featuring police chief Jesse Stone All is quiet in Paradise except for a spate of innocuous vandalism Good thing too because Jesse Stone is preoccupied with the women in his life both past and present As his ex wife Jenn is about to marry a Dallas real estate tycoon Jesse isn't too sure his relationship with former FBI agent Diana Evans is built to last But those concerns get put on the back burner when a major Boston crime boss is brutally murdered Despite all evidence to the contrary Jesse suspects it's the work of Mr Peepers a psychotic assassin who has caused trouble for Jesse in the past Peepers has long promised revenge against the Mob Jesse and Suit for their roles in foiling one of his hits and against Jenn as well And though Jesse and Jenn have long parted ways Jesse still feels responsible for her safety Jesse and Diana head to Dallas for the wedding and along with the tycoon's security team try to stop Peepers before the bill comes due With Peepers toying with the authorities as to when and where he'll strike Jesse is up against the wall Still there's a debt to pay and blood to be spilled to satisfy it But whose blood and just how much **Detectives in the Shadows** Susanna Lee, 2020-08-04 A century of American history reflected in the iconic private eye Steadfast in fighting crime but operating outside the police force and sometimes even the law is the private detective Driven by his own moral code he is a shadowy figure in a trench coat standing on a street corner his face most likely obscured by a tilted fedora a lit cigarette dangling from his hand The hard boiled detective is known by his dark past private pain and powers of deduction He only asks questions never answers them In his stories he is both the main character and the narrator America has had a love affair with the hard boiled detective since the 1920s when Prohibition called into question who really stood on the right and wrong side of the law And nowhere did this hero shine more than in crime fiction In *Detectives in the Shadows* literary and cultural critic Susanna Lee tracks the evolution of this truly American character type from Race Williams to Philip Marlowe and from Mike Hammer to Jessica Jones Lee explores how this character type morphs to fit an increasingly troubled world offering compelling interpretations of *The Wire* *True Detective* and *Jessica Jones* Suddenly in the present day the hard boiled detective wears his or her fatigue outwardly revealing more vulnerability than ever before But the detective remains resolute in the face of sinister forces ever the person of honor For anyone interested in crime fiction and television or for those wanting to understand America's idolization of the good guy with a gun *Detectives in the Shadows* is essential reading Robert B.
