Effective Educational Programs, Practices, and Policies for English Learners Liliana Minaya-Rowe, 2014-10-01 The central issue of this volume is how to meet the linguistic and academic needs of the increasing numbers of English learners ELs At the center of educational turns is the role of school professionals in this Common Core Standards era Teacher education programs and professional development or pre service and in service programs for teachers of ELs are currently being reframed to reflect the new demands placed on all teachers in light of the new standards The expectation is that ELs can learn and their teachers possess the expertise to teach both discipline content and academic English at the same time The large numbers of ELs across the country have created a wide gap between what teachers have been trained to do and the skills they need to teach and reach them effectively This practical handbook brings together research policy and practice on teacher effectiveness pre service and in service programs in the context of student linguistic and cultural diversity Key features include Clearly articulated teacher training and professional development programs Coverage of Common Core curriculum and a variety of instructional programs and practices with research based tools to implement them and Policies to equitably and effectively prepare ELs academically and linguistically

Essentials of

Middle and Secondary Social Studies William B. Russell III, Stewart Waters, Thomas N. Turner, 2013-10-15 Building on the success of a much loved elementary text *Essentials of Middle and Secondary Social Studies* focuses on the key issues central to the actual teaching of middle and high school social studies including lesson planning and inclusive instructional strategies. Written in an engaging conversational style the text encourages teachers in their development as professionals and enables them to effectively use creative and active learning strategies in the everyday classroom. Features of the book include: A full chapter on lesson plans designed to provide middle and secondary social studies teachers with classroom tested lesson plans. The chapter includes two classroom tested lessons for each social science discipline: U S History, World History, Geography, Government, Economics, Psychology, Sociology. A chapter on technology that is designed to better prepare middle and secondary social studies teachers to effectively teach social studies with technology. Attention is given to digital history, media literacy, teaching with film and music, and numerous other types of impactful technology. Each teaching methodology and lesson plan discusses how the strategy can be used to meet the individual needs of diverse learners including English Language Learners and exceptional education students. A section in each chapter provides various resources for further development. The section includes articles, books, and web resources. Each chapter includes an Extension activity offering readers with the opportunity to extend the learning experience with relevant and meaningful real life scenarios. Focus activities give readers the opportunity to prepare for the learning experience with relevant and meaningful scenarios. Covers current topics such as NCSS Standards, Common Core State Standards, Technology, Media Skills, Character Education, and Literacy.

A Guide for Developing Interdisciplinary Thematic Units Patricia Roberts, Richard Dean Kellough, 2008 Looks at the development of interdisciplinary thematic units covering such topics as content, diversity, technology, and classroom management.

Literacy Assessment and Instructional Strategies Kathy B. Grant, Sandra E. Golden, Nance S. Wilson, 2014-08-07 *Literacy Assessment and Instructional Strategies* by Kathy B. Grant, Sandra E. Golden, and Nance S. Wilson prepares literacy educators to conduct reading and writing assessments and develop appropriate corrective literacy strategies for use with their grade K-5 students. Connecting Common Core Literacy Learning Standards to effective strategies and creative activities, the book includes authentic literacy assessments and formal evaluations to support reading teaching in the elementary classroom. Initial chapters discuss literacy assessment and evaluation, data-driven instruction, high stakes testing, and instructional shifts in teaching reading. Subsequent chapters focus on the latest instructional and assessment shifts, including pre-assessing literacy knowledge, bases using informational texts for vocabulary development, and close reading of text. Written by reading practitioners and researchers, this book is a must-have for novices as well as for veteran classroom teachers who want to stay on top of changing literacy trends.
