Report Card James Patrick Hussey, 2003-09-30 Despite the impact local school board members have on public education little has been written about them and the experiences and motivations they bring to the board table particularly from a board member s perspective Report Card The Weekly Education of an American School Board Member fills that void Authored by James Patrick Hussey it includes 100 essays ranging from surprisingly interesting treatises on budgets and bond levies to impassioned articles underscoring the role of public education in a free society Each essay serves as a catalyst for classroom discussions or independent writing assignments that engage students intellectually and often emotionally in the topic it explores Hussey uses his extensive experiences in education and journalism to create a work that is intellectually rigorous but accessible to a wide audience Unlike some books exploring public policy Report Card rarely shouts at its readers Instead Hussey writes with the humility of someone required to live in his community after the newspaper columns from which these essays are adapted were published It will be of special interest to persons with current or anticipated roles in America s public schools particularly administrators teachers education students and elected officials This book will also make an excellent supplemental text for teacher preparation or educational leadership classes from introductory courses to doctoral seminars

Cowards Glenn Beck, 2012-06-12 Glenn Beck the New York Times bestselling author of The Great Reset provides readers with the truth about the issues the media and politicians are scared to touch

COURAGE COWARDS As we approach the most important presidential election in America s history something has been lost among all of the debates attack ads and super PACs something that Americans used to hold in very high regard THE TRUTH Glenn Beck likes to say that the truth has no agenda but there s another side to that people who have agendas rarely care about the truth And these days it seems like everyone has an agenda The media leads with stories that rate over those that matter Politicians put lobbyists and electability over honesty Radicals alter history in order to change the future In Cowards

Glenn Beck exposes the truth about thirteen important issues that have been hijacked by deceit Whether out of spite greed or fear these are the things that no one seems to be willing to have an honest conversation about For example How our two party POLITICAL SYSTEM often leaves voters with NO GOOD OPTIONS How extremists are slowly integrating ISLAMIC LAW into our SOCIETY How PROGRESSIVE religious leaders like JIM WALLIS are politicizing the Bible How the CARTEL VIOLENCE on our border is FAR WORSE than people realize How LIBERTARIAN has been INTENTIONALLY turned into a DIRTY WORD How GEORGE SOROS has amassed enough MONEY and POWER to INFLUENCE entire ECONOMIES In some cases the truth is out there but people simply don t want to hear it It s much easier and certainly a lot more convenient to keep our blinders on After all as a quote attributed to President James Garfield made clear The truth will set you free but first it will make you miserable Miserable or not the truth can no longer be something we hope for it must be something we live When courage prevails cowards do not and this book was written to ensure that s exactly what happens The Environmental Classroom Donald E.
