King Books Of The Infinite Book 3:

King (Book #3) R. J. Larson,2013-07-01 Fantasy Meets the Old Testament in a Novel That Will Reach Readers of All Ages Against his wishes and desires Akabe of Siphra has been chosen by his people to be King But what does a warrior know of ruling during peacetime Guided by the Infinite Akabe seeks to rebuild the Temple in the city of Munra to give the sacred books of Parne a home But dangerous factions are forming in the background To gain the land he needs Akabe must forsake the yearnings of his heart and instead align himself through marriage to the Thaenfall family Meanwhile Kien Lantec and Ela Roeh are drawn still closer together while becoming pawns in a quest to gain power over the region As questions of love and faith become tangled with lies and murderous plots each must seek the Infinite to guide them through an ever more tangled web of intrigue and danger *What the Bible Says About the Collapse of the Universe: Book Ii* Stanley

Lotegeluaki,2004-02-05 This book is a sequel to my first book What the Bible says about the collapse of the universe Life before the big bang And the 200 billion year history of Christianity the invisible war This book The doctrine of THIRD WAVE CHRISTIANITY is really a distillation of the first book The core of what the Lord revealed to me It is composed of small booklets Jesus Satan The Beast The Lake of fire and older booklets from the first book The Catholics were the first wave and they discomfited Satan The Protestants were the Second wave and they swarmed Satans camp and now are the Third wave Christians space age Christians who believe in the collapse of the universe and Life before the big bang who will over run Satans camp and completely wipe them out The book is designed for Christians who are also scientists and see no problem with the Bible and its compatibility with science It gives information about the collapse of the universe but with new material about the Beast Satan Jesus Africas unification and the founding history of all the nations Third wave Christians are not to go out and make new Churches but they are people who ate the refreshing new information that we missed in the Bible space age information This book proves that Christianity is superior to Islam Hinduism Buddhism Communism and those who make science into a religion Because the Bible says the universe will collapse and Science says the universe will collapse thats proof the Bible is Truth and that God exists Logicians and Christians who are Scientists can use this book to prove that the Bible is True therefore God exists **Armageddon Is 40 Billion +/- Years from Now, Wwiii, and the Lake of Fire.**
