David Hernandez,2009-09 Is God fact or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the

Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions **The Laughing Jesus** Timothy Freke, Peter Gandy, 2005-07-12 Timothy Freke and Peter Gandy authors of The Jesus Mysteries and Jesus and the Lost Goddess return with a powerful indictment of Jewish Christian and Islamic fundamentalism and a passionate reinterpretation of Gnostic spirituality According to Freke and Gandy religiously inspired acts of violence such as the attacks on 9 11 are nothing new They are the continuation of a long and bloody history of brutality caused by mistaking bizarre old books for the Word of God The time has come to end religious intolerance and wake up to oneness by rediscovering the Gnostic way of transforming oneself and the world Freke and Gandy s Incendiary New Book Is a Wake Up Call to the World What if the Old Testament is a work of fiction Jesus never existed and Muhammad was a mobster What if the Bible and the Qur an are works of political propaganda created by Taliban like fundamentalists to justify the sort of religious violence we are witnessing in the world today What if there is a big idea that could free us from the us versus them world created by religion and make it possible for us to truly love our neighbors and even our enemies What if it is possible to awaken to a profound state of oneness and love which the Gnostic Christians symbolized by the enigmatic figure of the laughing Jesus Discover for Yourself Why the Gnostic Jesus Laughs *Did Jesus Really Say He Was God?* Mikel Del Rosario, 2025-10-23 How to Make Sense of Jesus Divine Claims Do you ever wonder if Jesus really claimed to be God Maybe you ve heard people say Jesus never said he was God or you ve been asked Why believe Jesus is divine if he never claimed it These challenges aren t just from non Christians they show up in church too Even if you re not coming from a place of skepticism you might still question how well church teachings about Jesus match up with what he actually said So did the historical Jesus really claim to be divine This book is here to give you confidence in the historicity of Jesus claim to divinity It s designed to help you explain your faith in a world that increasingly doubts the Bible s portrayal of Jesus Instead of focusing on what Jesus followers believed this book takes a different approach it looks at what Jesus enemies thought How did they interpret his words and actions Their perspective can help you understand the historical validity of Jesus divine claim In this book biblical scholar Mikel Del Rosario uses historiography to examine claims about Jesus divinity analyzes ancient Greco Roman Jewish and biblical sources to understand how Jesus words and actions were interpreted by his adversaries and followers and argues that Jesus claimed divine authority a claim supported by strong historical evidence If you re a Christian this book will equip

you to defend your faith against theories that suggest Jesus only claimed human authority not divine If you re someone who sees Christianity differently this book offers a serious investigation into the claims of the historical Jesus providing evidence that any theory of his identity must address Whether you re searching for answers to your own questions or trying to share about Jesus with others this book will help you communicate Jesus divine claim with clarity and confidence **Alfred Loisy and the Making of History of Religions** Annelies Lannoy,2020-08-10 This monograph studies the professionalization of History of religions as an academic discipline in late 19th and early 20th century France and Europe Its common thread is the work of the French Modernist priest and later Professor of History of religions at the Coll ge de France Alfred Loisy 1857 1940 who participated in many of the most topical debates among French and international historians of religions Unlike his well studied Modernist theology Loisy s writings on comparative religion and his rich interactions with famous scholars like F Cumont M Mauss or J G Frazer remain largely unknown This monograph is the first to paint a comprehensive picture of his career as a historian of religions before and after his excommunication in 1908 Through a contextual analysis of publications by Loisy and contemporaries and a large corpus of private correspondence it illuminates the scientification of the discipline between 1890 1920 and its deep entanglement with religion politics and society Particular attention is also given to the role of national and transnational scholarly networks and the way they controlled the theoretical and institutional frameworks for studying the history of religions
