Bremer, 2013-06-04 This book is a breath of fresh air for the body of Christ It serves as a sobering reminder for the church and helps us put our New Testament covenant back into focus Grace is the opening chapter of this book Somehow the body of Christ has allowed herself to slip back into a law mentality but Robin makes it very clear to every reader that Jesus has already fulfilled the requirements of the law and shows us how to walk in God's grace It is through God's grace that we can step into our position to subdue this earth and rule as kings and priests This is the most all inclusive Kingdom centered book I have read in a long time We have been restored to a position of dominion but many times we walk as though we are subject to our earthly conditions Robin makes it clear through Scriptural evidence that it's not up to God but up to each one who names the name of Jesus to carry out the mandate to enforce God's kingdom in this earth She shows us how healing is our kingdom right It's ours for the taking because Jesus blood paid the price Robin even goes through great lengths as evidenced in Scripture to show us how angels aid us on our assignment It's clear we have been given everything to carry out our assignment After reading this book I can see the kingdom much more clearly Upon reading this Bible Study every reader will understand what the kingdom is how it works how to appropriate their kingdom authority and learn declarations which release faith and bring victory It doesn't get much plainer than this Robin has made it clear concise and comprehensive for anyone who is interested in enforcing the eternal purpose accomplished in Christ Minister Sonya L Thompson Author of *Business By The Bible Break Out*
