

Based on a careful analysis of the many eschatological prophecies in the Old and New Testaments along with various ancient Jewish, Christian and Gnostic sources including the Kabbala and Hekhalot (Traditions) of Idume, Richard Neal takes you on a historical journey of immense importance.

In *Kingdom of the Antichrist* you will learn that one of the keys to properly interpreting end-time prophecy is correctly identifying the various eschatological time periods and characters presented in the pages of Scripture. And one is better equipped to do just that with a proper understanding of various histories including the origins and history of Gnosticism.

Beginning in the year 586 B.C. with the Babylonian captivity of the Jewish people and continuing on through the all-important, but often overlooked, Intertestamental period, then on to the early Church age with the contemporaneous rise and evolution of the hydra-headed beast known as Gnosticism allows for the presentation of a new groundbreaking end-time paradigm never before understood.

In *Kingdom of the Antichrist* you will learn the true identity of the all important fourth "beast" as depicted in the book of Daniel, the identity of Gog and his ten nation coalition force of the book of Ezekiel along with the true identity of the False Prophet and the Antichrist.

Today we find ourselves on the very cusp of the infamous War of Gog and Magog and the beginning of eschatological events. As a result, the world powers are currently being emotionally maneuvered into place like pieces on a chessboard as can be seen on our nightly news in preparation for that war and its eschatological aftermath. In various places on earth many churches have already entered into The Great Tribulation Period as Daniel's great "beast" as depicted is even now persecuting many Tribulation Saints "because of the word of God and the testimony they maintain."

This book was written for the Church - with the sole intent of correcting inaccurate interpretations of eschatological events and characters which were born in the cold war era and put forth by many sincere theologians. Consequently, the time has arrived to correct those errors in interpretation and to help prepare the Church for what will soon come to pass.

events shaping our world reflect apocalyptic biblical predictions It s clear that the end of time is near This book is a wake up call for Christians and American patriots who can no longer afford to shrug and hope for the best The strong foundation of Judeo Christian values that built our great country has crumbled to the ground in the face of humanism and liberal progressivism America s demise parallels the demise of mankind as a whole How have we reached this state of crisis We explore the death grip that humanism has on America and the ultimate fate of all the world s citizens We examine both the source of sin and the path toward holiness including death to the old self and resurrection of the new It is essential to heed the warnings found in God s Word warnings which become increasingly relevant as the Great Tribulation draws near With a detailed evaluation of the Scriptures we identify the timeline of the Tribulation Rapture return of Jesus Christ and the thousand year millennium Realizing that the Rapture will not take place prior to the Tribulation we must accept the Tribulation when it begins and recognize its ramifications or risk being deceived by Satan and the Antichrist As the Tribulation defines our end so does it offer an opportunity for a new beginning if we can achieve perfection through our Lord While cataclysmic occurrences may be imminent devoted Christians can also expect wondrous rewards both here and now and for all eternity

Daniel and Revelation Ed Pittman,2020-07-07 In 1987 when Ed joined a new church the pastor was teaching on the book of Revelation Ed so enjoyed the teaching that he decided to read what others had to say about Revelation He quickly learned that there were many different interpretations of Revelation and other books of the Bible that

contained prophecy about the end times or latter days He decided that he needed to do more reading and study of scripture as well as books written by others so he could come to his own understanding of what God was telling us about how He would bring things to an end After much reading and prayer his focus narrowed primarily to the books of Daniel and Revelation The book of Daniel is about Israel in the time before Christ The prophecy in Daniel begins with the Babylonian kingdom and continues through the Roman kingdom in such detail and accuracy that many believe it was written much later and is more historical than prophetic It also tells us about the later kingdoms but in a much broader sense and less detail The book of Revelation written by John on the island of Patmos tells us about the kingdoms that come after the Roman kingdom Revelation tells us in great detail about Christ s message to the seven churches and the seventieth week of Daniel s prophecy of seventy weeks of years This includes the breaking of the seven seals the blowing of the seven trumpets and the pouring out of the seven bowl judgments Lastly it tells us the good news about the return of Christ and the establishment of His kingdom
