Kingdom, Power, and Glory - Instructor's Guide Grace Bible College & Seminary, 2015-03-07 The New Testament the new agreement that God made with humanity through His Son Jesus Christ is the subject of this course This survey of the New Testament brings a realization that God speaks authoritatively to the church and the world today just as He did in the New Testament and throughout the course of history The information contained in this course will help provide a fuller understanding of New Testament truths and the reliable manner in which they were transmitted to us A study of this course will enable students to teach others about the Word of God in a greatly enhanced fashion Luke: An Introduction and Study Guide Greg Carey, 2017-01-12 Greg Carey's guide equips readers to develop their own informed assessments of Luke's

Gospel The book begins with an inductive exposition of Luke's singular approach to composing a story about Jesus examining its use of Mark clues to its social setting and its distinctive literary strategies Recognizing that many readers approach Luke for theological and religious reasons while many others do not a chapter on Spirit addresses Luke's presentation of the God of Israel how the Gospel ties salvation to the person of Jesus and how the problems of sin and evil find their resolution in the kingdom of God and in community of those who follow Jesus A chapter on Practice examines the Gospel's vision for human community While many readers find a revolutionary message in which women the poor Gentiles and sinners find themselves included and blessed in Luke's Gospel this volume calls attention to inconsistencies and tensions within the narrative Luke does speak toward inclusion Carey argues but not in a revolutionary way Could it be that the Gospel promises more than it delivers Carey suggests that Luke speaks to people of relative privilege challenging them toward mercy and inclusion rather than toward fundamental social change An Epilogue reflects upon contemporary readers of Luke most of whom enjoy privilege in their own right and how they may respond to Luke's story
