Kingdom The Expression Of Gods Rule:

Kingdom Chris Woodall,2012-09-18 It has been said that history teaches us that history teaches us nothing However true this may be in general terms the fact that we so frequently look to the past in an attempt to shape our future by applying its lessons in the present suggests we remain keen to learn In the context of the subject of this book though the stalwarts of the faith can serve as tremendous examples it is to the lessons of Scripture that we must turn if we are to have a better idea of what the kingdom of God is what that means for us as believers and how we can be better equipped to extend its values in today s world Thus what we understand by the term kingdom of God will not only determine whether we believe ourselves to be its citizens but also how we think we should conduct ourselves in the light of such knowledge It is the contention of this book that the biblical concept of kingdom as the expression of God s rule requires greater clarity of presentation in order to prevent it from confusion and or distortion amongst Christians [The Kingdom of God and the Christian Community in Rehoboth](#)

Heinz Mouton,2021-01-08 Document from the year 2021 in the subject Theology Practical Theology Namibia Evangelical Theological Seminary language English abstract Like in most parts of Namibia Christianity plays a major role in the Rehoboth community The goal of Christian ethics in any community is to glorify God Many people in Rehoboth would agree with that statement in principle However as Heinz Mouton s research shows Pentecostal and mainline Protestant preachers in Rehoboth offer little to no ethical application of key passages such as Jesus Sermon on the Mount Mouton argues that this in part explains why the lifestyles of many Rehoboth Christians differ significantly from the ethical values of God s Kingdom recorded in the New Testament His plea to the Rehoboth church therefore is for stronger teaching and preaching that emphasises the ethics of Christ s Kingdom and how they touch all aspects of human relationships from the workplace to the neighbourhood to the family home **The Race Set Before Us** Ardel B. Caneday,Thomas R.

Schreiner,2025-10-30 Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry *Understanding Spiritual Warfare* Apostle Sharon E. Harris,2020-07-22 The information in this book will change a church a ministry and the individual reader himself Understanding spiritual warfare is as important as a country knowing how to fight and survive the attacks from another country We are in an epic war for our lives our marriages our ministry our relationships our country our cities and states and the list goes on because Satan the enemy of our souls is strategizing assaults against us and he aims at striking every aspect of our lives If it can affect us he will strike at it This book has great insights into the spiritual realm Satan s war room tactics God s war manual and our

position in Christ We get a glimpse into the unseen world through the eyes of the Holy Spirit We must no longer suffer defeat and remain in bondage This book is an eye opener because the information it contains are Holy Ghost inspired

Understanding End Times Prophecy Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture
