Wellum, 2018-09-20 Kingdom through Covenant is a careful exposition of how the biblical covenants unfold and relate to one another a widely debated topic critical for understanding the narrative plot structure of the whole Bible By incorporating the latest available research from the ancient Near East and examining implications of their work for Christology ecclesiology eschatology and hermeneutics scholars Peter J Gentry and Stephen J Wellum present a thoughtful and viable alternative to both covenant theology and dispensationalism This second edition features updated and revised content clarifying key material and integrating the latest findings into the discussion **Kingdom Through Covenant** Peter John Gentry, 2018 [Kingdom Through Covenant](#) Peter John

Gentry, Stephen J. Wellum, 2015 **God's Kingdom through God's Covenants** Peter J. Gentry, Stephen J.

Wellum, 2015-08-31 The Bible records a number of covenants that God made with his people However rather than merely abstract ideas for theologians and scholars to study the covenants in Scripture hold the key to understanding the Bible s overarching story and message In God s Kingdom through God s Covenants two world class scholars offer readers an engaging snapshot of how God has chosen to lovingly relate to his people in history tracing the significance of the concept of covenant through both the Old and New Testaments Explaining the differences between covenant theology and dispensationalism while offering a thoughtful alternative to both this book ultimately highlights the covenantal framework through which God has promised to remain faithful to his people **Covenantal and Dispensational Theologies** Brent E.

DeRouchie, 2020-11-24 An accessible survey of the meaning methodologies themes and applications of biblical theology To understand what the entire Bible teaches about any given subject we must practice biblical theology By surveying the whole canon of Scripture we can best discern what God has revealed about any particular issue But doing so requires answering a number of important questions What type of biblical theology will we choose What overall story does the Bible tell How should we understand the relationship between the Old and New Testaments How does our topic fit within salvation history How do we apply the truths we discover 40 Questions About Biblical Theology provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology Other vital topics the authors address include how to understand typology key themes in biblical theology and how Christians should relate to Old Testament promises Ideal for courses on biblical theology for pastors and for anyone who teaches or interprets Scripture 40 Questions on Biblical Theology will deepen your understanding and application of the whole counsel of God

Political Church Jonathan Leeman, 2016-03-01 What is the nature of the church as an institution What are the limits of the church's political reach Drawing on covenant theology and the new institutionalism in political science Jonathan Leeman critiques political liberalism and explores how the biblical canon informs an account of the local church as an embassy of Christ's kingdom

Don't Fire Your Church Members Jonathan Leeman, 2016-01-15 The goal of this book is to present a fresh and innovative argument for congregationalism

God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today

THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the

Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Progressive Covenantalism Stephen J. Wellum, Brent E. Parker, 2016-04-15 Biblical covenants provide the backbone to the narrative plot line of Scripture therefore it is essential to think through the interrelationship between the biblical covenants starting in creation and culminating in Christ in order to rightly grasp the whole counsel of God Delighting in the Old Testament Jason DeRouchie, 2025-02-13 Understanding the Old Testament's Purpose in the Christian's Life Today The Old Testament makes up the majority of the Christian Bible yet incorrect teaching of its texts abounds in the church Without effectively studying these stories covenants and kingdoms within their close continuing and complete biblical contexts believers miss the beauty of the Old Testament including how it points to Jesus and why it still matters today Jason DeRouchie helps Christians delight in the books of the Old Testament and read them the way God intended as relevant parts of Christian Scripture This accessible guide stresses the need to keep Christ at the center and to account for the progress of salvation history when applying the Old Testament today It helps Christians interpret the Old Testament see how it testifies to Jesus believe that Jesus secured every divine promise and understand how Jesus makes Moses's law still matter By more strongly comprehending Old Testament teachings and how they relate to the New Christians will better enjoy the Old Testament itself and increasingly understand all that Jesus came to fulfill In Depth Study Shows the lasting relevance of Old Testament laws history prophecy and wisdom and gives insight into the authors and audience of Old Testament books A Great Resource for Pastors Students and Small Groups Prepares Christian leaders to faithfully teach the Old Testament and equips all Christians to embrace that the Old Testament is Christian Scripture Accessible Includes numerous case studies Review and Reflection points for every chapter and a glossary of key terms *Christ and Theology* Scott Stine, 2025-02-17 Tracing the relationship between Christ centered biblical theology and the so called Great Tradition this book seeks to remedy often self diagnosed weaknesses in evangelical gospel centered hermeneutics Meeting charges first that redemptive historical approaches to Scripture tend to de theologize the Bible and second that theological approaches tend to de historicize the Bible Scott Stine appropriates Calvin's famous spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward theologically and forward redemptive historically The outcome is a unique approach called typological realism emphasizing that God reveals his good purposes along a typological trajectory inviting believers to participate in the journey This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft used approaches that not only fit together thematically but also remedy reductive tendencies The goal is to help those listening to Scripture as God's shepherding voice to hear the fullness of his revelation

the purposeful process that culminates in the Beatific Vision

Two Testaments, One Story Michael Eberhardt-Sturm, 2022-12-23 Traditionally the fault lines in biblical theology run between the understanding of whether the field is a purely descriptive endeavor produces a normative theology or tries to achieve both However is this the only grid we should use to approach biblical theology Should practicing it not rather foremost result in a transformative experience that encompasses and integrates both Testaments Two Testaments One Story explores the foundation for a transformative panbiblical theology that empowers believers to live a consistent and compelling life as Christ followers and global Christians in a pluralistic world Join the author in this journey from the preparation work at the drawing board through the extensive study of scripture to constructing the biblical story world s literary and theological framework Central to this quest are the concepts of cultural memory and remembrance culture and identifying the Bible s critical root stories Their workup establishes the road to unlocking scripture s story world Discover the path to a transformative panbiblical theology in Two Testaments One Story

"Take and Eat": From Fall to Feast TK Dunn, 2024-11-12 There are many doorways that can be used to enter and engage with the storyline of the Bible In this book TK Dunn traces the theme of take and eat across the pages of Scripture to demonstrate that many of the critical events in redemptive history are marked by uses of food From God s bountiful provision in Eden through the celebratory feast of the New Jerusalem Dunn explores how God uses meals as a symbolic method of teaching his people about grace mercy justice holiness and redemption This Biblical Theological feast is designed to provide a unique and captivating analysis of God s activity in his created realm by interacting with his people in a manner that they could both experience and understand The contract of the Fallen Adam with the Final Adam sits at the heart of the gospel and it is therefore not surprising that the take and eat motif is present in the lives of both Adam and Jesus Seeing Jesus obedience as an inversion of Adam s failure Dunn demonstrates how Christ is not only the fulfillment of the Old Testament s hopes and promises but also the one who restores and renews all things by the unwinding of the Fall By considering how God uses these moments to progressively reveal more about his work of salvation through Christ Dunn provides a theological buffet that will entice the unbeliever to taste and see that the Lord is good and also satisfy the believer who is eagerly anticipating the day when Christ will sit and feast with his beloved church at the end of time

The Gift of Revelation J. Alexander Rutherford, 2022-01-21 The Bible stands near the heart of the Christian faith It has been read sung and taught for over 3000 years Its stories have moved us its songs shaped us and its epistles taught us But what is the Bible Christians believe that it is the very words of God But we could go further is the Bible a novel dictionary textbook historical collection of documents It is in this sense of the question that we are interested in what the Bible is Answering this question what is the Bible is essential if we are to understand its function in the life of Christians and their Churches It is essential if we are to understand how the Bible addresses the crises of contemporary society and how it addresses the human heart across the ages In this short book we will look at this question from several perspectives looking at how the Bible came to be

what it is and the implications for how we read the Bible

The Earth Will Be Filled Donnie Berry, 2025-12-02 Discover the Beauty Depth and Awe Inspiring Magnitude of God's Glory The glory of God is a central theme that runs throughout Scripture But what is God's glory And what does it mean to glorify God These are perhaps the most important questions we could ever ask To answer them it is crucial to see how God's glory is at the heart of the gospel and of the entire story of the Bible According to biblical scholar Donnie Berry glory refers to all the things the triune God is full of his wisdom love creativity beauty strength compassion justice life joy made manifest for us to see to experience to respond to and perhaps most surprisingly to participate in From beginning to end God's plan has always been to reveal his glory to his people and through his people so that his glory will fill the earth This volume provides a rich study into the meaning of God's glory in the story of the Bible and what it means for your life today The Earth Will Be Filled Features An Exploration of the Biblical Theme of Glory Trace the theme of glory throughout Scripture gaining insight on its significance for understanding God and the Bible Visual Aids for Clarity Use helpful figures to easily grasp the deep connection between the Bible and the theme of glory Accessible Biblical Theology Enjoy an engaging accessible resource perfect for pastors students or anyone interested in Biblical theology Through accessible insights and compelling visuals The Earth Will Be Filled explores how the theme of glory can deepen your understanding of Scripture offering you a meaningful way to reflect on God's majesty and presence This book is an invitation to immerse yourself in the awe of God's glory and respond to it with wonder worship and joy Step into the richness and wonder of God's glory with The Earth Will Be Filled and discover how glory permeates Scripture and invites us into a life transforming response About the Series Essential Studies in Biblical Theology ESBT edited by Benjamin L Gladd and L Michael Morales explore the central or essential themes of the Bible's grand storyline Taking cues from Genesis 1:3 authors trace the presence of these themes throughout the entire sweep of redemptive history Written for students church leaders and laypeople the ESBT offers an accessible yet rich introduction to biblical theology

Prevenient Grace J. Alexander Rutherford, 2020-09-20 If a plant grows with shallow roots the storms of a season will wither away and uproot it like a house built on sand a poor foundation will doom its fate But this isn't a book on botany nor on architecture foundations good roots are essential to thought structures as well as material structures In theology a bad foundation will produce results as catastrophic as bad roots or shifting sand How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith This book evolved from the conviction that a prominent theological system rests on a fragile foundation It is written as a small contribution towards refounding our understanding of God's relationship with the world and our salvation on His Word The theology in question is Arminianism the foundation is prevenient grace Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings giving them enabling grace enough to respond or reject His offer of salvation The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded and that Arminianism itself stands or falls on this doctrine

Going Public Bobby

Jamison,2015-07 Going Public builds a theological case for why baptism is required for church membership answers objections and applies this theological vision to the local church s practice of baptism the Lord s Supper and church membership Why a "New Testament"? Levi S Baker,2025-09-22 Why would early Christians perceive the need for a New Testament Unfortunately most studies on the NT canon concentrate on its development and closing to the neglect of its impetus Yet NT texts like 1 Tim 5 18 and 2 Pet 3 16 reveal that within the first century early Christians began receiving recent Christian texts as Scripture on par with their Old Testament scriptural collection What explains this rapid and remarkable development Levi Baker traces the connection between Scripture and covenant in early Judaism and early Christianity arguing that the answer lies in early Christianity s conviction that Jesus had inaugurated the new covenant
