Kings Crossroads A Parable Of The Cross:

King's Crossroads Michael Phillips, 2014-07-28 Behind every door is a life and behind every life is a destiny fashioned by choices and crossroads Kings Crossroads Could be your town It could be my town Like any town it is a microcosm of American life But its politicians preachers contractors teachers and business owners young and old men and women alike are about to discover **American Book Publishing Record**, 2003 *Eclecticism in Late Medieval Visual Culture at the Crossroads of the Latin, Greek, and Slavic Traditions* Maria Alessia Rossi, Alice Isabella Sullivan, 2021-11-22 This volume builds upon the new worldwide interest in the global Middle Ages It investigates the prismatic heritage and eclectic artistic production of Eastern Europe between the fourteenth and seventeenth centuries while challenging the temporal and geographical parameters of the study of medieval Byzantine post Byzantine and early modern art Contact and interchange between primarily the Latin Greek and Slavic cultural spheres resulted in local assimilations of select elements that reshaped the artistic landscapes of regions of the Balkan Peninsula the Carpathian Mountains and further north The specificities of each region and in modern times politics and nationalistic approaches have reinforced the tendency to treat them separately preventing scholars from questioning whether the visual output could be considered as an expression of a shared history The comparative and interdisciplinary framework of this volume provides a holistic view of the visual culture of these regions by addressing issues of transmission and appropriation as well as notions of cross cultural contact while putting on the global map of art history the eclectic artistic production of Eastern Europe **Iconography Beyond the Crossroads** Pamela A. Patton, Catherine A. Fernandez, 2021-06-24 This volume assesses how current approaches to iconology and iconography break new ground in understanding the signification and reception of medieval images both in their own time and in the modern world Framed by critical essays that apply explicitly historiographical and sociopolitical perspectives to key moments in the evolution of the field the volume's case studies focus on how iconographic meaning is shaped by factors such as medieval modes of dialectical thought the problem of representing time the movement of the viewer in space the fragmentation and injury of both image and subject and the complex strategy of comparing distant cultural paradigms The contributions are linked by a commitment to understanding how medieval images made meaning to highlighting the heuristic value of new perspectives and methods in exploring the work of the image in both the Middle Ages and our own time and to recognizing how subtle entanglements between scholarship and society can provoke mutual and unexpected transformations in both Collectively the essays demonstrate the expansiveness flexibility and dynamism of iconographic studies as a scholarly field that is still heartily engaged in the challenge of its own remaking Along with the volume editors the contributors include Madeline H Caviness Beatrice Kitzinger Aden Kumler Christopher R Lakey Glenn Peers Jennifer Purtle and Elizabeth Sears **South Africans versus Rommel** David Brock Katz, 2017-11-15 After bitter debate South Africa a dominion of the British Empire at the time declared war on Germany five days after the invasion of Poland in September 1939 Thrust by the British

King Arthur in the Medieval Low Countries Geert H. M. Claassens, David Frame Johnson, 2000 The Arthurian myth is one of the most fundamental and abiding ones of Western culture The legend of King Arthur and his knights was no less popular in the medieval Low Countries than it was anywhere else in medieval Europe It gave rise to a varied corpus of Middle Dutch Arthurian verse romances most of which are contained in a single manuscript the so called Lancelot Compilation of MS The Hague KB 129 A10 This manuscript of the early fourteenth century contains a cycle of verse narratives that rivals in its scope and thematic concerns the better known Old French Vulgate Cycle of Arthurian tales and Sir Thomas Malory's Morte D Arthur This volume contains new critical work on these and other Middle Dutch Arthurian romances twelve studies by eleven established scholars in the field of Arthurian literature In addition to this new scholarship the volume is provided with an extensive introduction to the Arthurian literature of the medieval Low Countries as well as summaries of all the extant Middle Dutch Arthurian texts As such it should prove of interest to Arthurian specialists and enthusiasts alike many of whom will discover a new body of Arthurian tales at once both familiar and new in a heretofore relatively neglected area of Arthurian studies

The Great Diamond Heist - The Incredible True Story of the Hatton Garden Diamond Geezers Gordon Bowers, 2016-06-23 Over the Easter weekend in 2015 an audacious gang of criminals robbed a safe depository in London's Hatton Garden the centre of the UK's diamond trade Shortly before electrical cables under nearby Kingsway had caught on fire disrupting the emergency services in the area Coincidence Alarms at Hatton Garden Safe Deposit Ltd went off but the police ignored them The burglars were caught on CCTV taking jewellery worth up to 200 million They had used specialist equipment taking days to tunnel through the walls of the vault Within a month nine suspects had been arrested and valuables seized from their homes They were aged between forty three and seventy six including a father and son The question was were they the same gang that had made a similar daring raid in Hatton Garden safe netting 1.5 million over the Christmas holiday in 2004 The culprits then were never caught In 1986 a similar heist had taken place in Los Angeles where a gang drilled a 100 foot tunnel from a storm drain into the vaults of the First Interstate Bank in West Hollywood It inspired the novel The Black Echo Author Michael Connelly believes his book might have inspired the Hatton Garden heists and has a grudging respect for the criminals There is no violence and they sweated for the money And there is a certain class envy he said We don't feel too sorry for people who keep fortunes hidden away in safety deposit boxes Part of us hopes the gang members are now lying on a beach somewhere However what the Hatton Garden heist so victimless There have been suggestions that the safety deposit raid was linked to the murder of John Goldfinger Palmer a

suspect in the 1983 Brink's Mat bullion robbery who was gunned down in Essex in July The question remains was Palmer killed for tipping off police about possible suspects **The Syriac Legend of Alexander's Gate** Tommaso Tesei, 2023 The Syriac Legend of Alexander's Gate is the first study of an apocalyptic work known as Syriac Alexander Legend It illustrates how this seminal text played a central role in the shaping of influential forms of apocalyptic ideology and in the development of important literary motifs of Medieval literature worldwide
