discussion questions *Burned Alive* Gerald R. Loewen, 2018-06-28 The hour is late The call has gone out Who will stand among those who have made themselves ready to be part of the Bride Who are those who are willing to consecrate themselves to pay the price to have the dross of their flesh burned off by the power of the Holy Spirit Who are those who are willing to buy gold refined by fire The inheritance of the Son is the Bride and the Father is resolute that His Son will see the reward of His suffering *Lost Art of Intercession Expanded Edition* James W. Goll, 2007-04-28 Over two hundred and fifty years ago this verse was burned into the hearts of Moravian refugees in the tiny community of Herrnhut in eastern Germany Their commitment to restore the Watch of the Lord through 24 hours of unbroken prayer and intercession continued for more than 100 years God is calling His warriors once again to mount the Watch of the Lord When God's people send up the incense of prayer and worship God will send down supernatural power anointing and acts of intervention Author James W. Goll combined with the writings of E. M. Bounds paints an inspiring picture of prophetic clarity and prayerful urgency that sound God's clarion call to His Church Now is the time to mount the walls with prayer and praise and restore The Lost Art of Intercession *The Lost Art of Healing* Bernard Lown, 1999-02-02 The real crisis in medicine today is not about economics insurance or managed care it's about the loss of the fundamental human relationship between doctor and patient In this wise and passionate book one of our most eminent physicians reacquaints us with a classic notion often overlooked in modern medicine health care with a human face in which the time honored art of healing guides doctors in their approach to patient care and their use of medical technology Drawing on four decades of practice as a cardiologist and a vast knowledge of literature and medical history Dr. Lown probes the heart and soul of the doctor patient relationship Insightful and accessible to all The Lost Art of Healing describes how true healers use sympathetic listening and touch to hone their diagnostic skills how language affects the perception of illness how doctors and patients can cultivate a relationship of trust and how patients can obtain the most complete and beneficial care through a combination of healing techniques and conventional practices As Dr. Lown explains the art of healing does not mean abandoning the spectacular advances of modern science but rather incorporating them into a sensitive humane enlightened approach to medical care With its urgent message and poignant fascinating vignettes The Lost Art of Healing is a book of vital universal importance *The Lost Art of Intercession* Jim W. Goll, 1997 Finally there is something that really explains what is happening to so many folk in the Body of Christ What does it mean to carry the burden of the Lord Where is it in Scripture and in history Why do I feel as though God is groaning within me No you are not crazy God is restoring genuine intercessory prayer in the hearts of those who are open to respond to His burden and His passion *Life in His Presence* Sarah Young, 2020-08-25 Sarah Young's Jesus Calling has drawn millions of people around the world closer to Jesus Now Life in His Presence calls us to a new experience reflecting on the truths of Jesus Calling as we take another step on our spiritual journey Each entry in Life in His Presence includes an excerpted devotion from Jesus Calling alongside a key Scripture verse as well as thoughtful journaling prompts and memorable quotes

Goll, 2012-03-20 Satisfy the hunger in your heart An exciting and insightful journey into the visionary world of The Seer The prophetic movements in church history and in contemporary life are fed by two mighty streams the prophet whose revelation is primarily verbal the seer whose revelation is more visionary While the role of the prophet is familiar less is known about The Seer dimension To many people these visionary prophets remain mysterious other worldly and even strange Knowledge dispels misunderstanding and you will discover the prophetic power of dreams visions and life under the open heavens Questions answered include How does visionary revelation happen Can it be trusted Where does it fit into your life and today's church Can any believer become a seer Is it a prophetic dimension reserved for the spiritually gifted The Seer will move your heart and stir up your hunger for intimacy with God because the seer's goal is to reveal the person of Christ Jesus to you today **God Encounters Today** James W. become that word That is revelation s ultimate purpose for the Word to become flesh James Goll What is prophetic revelation from God And what is the believer s role in receiving and activating it James Goll author of the best seller The Seer explains that although some believers are especially gifted as prophets every follower of Jesus receives the gifts of revelation and discernment And every believer needs to use them In fact without discernment and sensitivity to the Holy Spirit we cannot progress in our use of any of the gifts and callings With clear explanations scriptural illustrations and real life contemporary stories Goll demonstrates how we can receive revelation through the natural senses of sight hearing touch smell and taste and how to open ourselves up to the comparable supernatural senses through which God wants to speak He also removes uncertainty about how to discern revelation and test the spirits so that every believer can fulfill their ultimate purpose extending Jesus powerful kingdom on earth The Discerner is both a wonderful introduction to the prophetic lifestyle and a challenging call for those already immersed in prophetic revelation

Strike the Mark James W Goll, 2019-05-07 Prayers that strike the mark are specific prayers authorized by the Holy Spirit and endowed with divine power to accomplish the will of God in your life and for the needs of the world On the cross Jesus fulfilled the ultimate answer to all of our prayers but He awaits our invitation to come into our situations and circumstances When people of prayer intercede they create a meeting place between the heavenly Father and His children God comes upon the person who is praying and moves them from the natural to the supernatural Empowered by God the intercessor has the authority to cut down enemy forces and pick out targets for God s lightning bolts of glory bringing victory and breakthrough Intercession could be called extreme prayer because it links extreme needs with the extraordinary power of God Inserting ourselves into the gap between God and a need we call upon the Holy Spirit our Helper who is ready to move us from finite ability to infinite ability take hold of difficult situations and help accomplish the will of God We have the great honor of being called to paint targets on cities churches ministries family members contemporary Sauls those who persecute or cause difficulty and even ourselves Our believing persistent prayers will Strike the Mark He covers His hands with the lightning and commands it to strike the mark Job 36 32 NASB
