Messy Truth Caleb Kaltenbach, 2021-08-10 From the author of Messy Grace a former pastor raised by gay parents comes a compassionate playbook to help Christians church staff and ministry leaders create a culture of belonging without sacrificing theological convictions What should we do This is a question many Christians are asking as they face shifting societal norms conflicting opinions and often inaccurate scriptural interpretations regarding those who identify as LGBTQ

Caleb Kaltenbach believes there's a more helpful question: What am I willing to do to keep and build influence with _____? Caleb knows our love for others is best measured by the lengths we'll go to help them. He also recognizes that people find and follow Jesus better in community than in isolation. As a child raised by three activist gay parents, Caleb experienced firsthand the outrage of some Christians. That's why he is committed to creating a sense of belonging for all people. True community can happen only when Christians are intentional in infusing their attitudes, systems, and values with grace and truth. This hopeful practical book offers tools for encouraging church involvement, strengthening personal relationships, increasing empathy, and engaging in pivotal conversations about grace and truth with our whole community. Fostering a culture of belonging is a messy process, but it holds a massive possibility for everyone involved: a growing relationship with Jesus.

The Best Question Ever Andy Stanley, 2009-04-23

We've all done dumb stuff in our lives. We all have regrets. Yet none of us plans to mess up our lives. Why then does it keep happening? Life doesn't have to be that way. You can fool-proof your life as this book shows. God's promise and pattern is for something better. In *The Best Question Ever*, Andy Stanley effectively teaches the practical and lasting value of simply asking this question about our actions in all of life's arenas: What is the wise thing for me to do in light of my past experience, my present circumstances, and my future hopes and dreams? This book probes for honesty; it pushes us to open our eyes to reality and helps us expose the little and big self-deceptions we have. Prepare yourself: You are about to be introduced to a single question that will revolutionize the way you make decisions. Over the past twenty years, speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all over the country. In this ground-breaking new book, Andy provides you with a filter through which to evaluate every decision in every arena of your life. As you are about to discover, *The Best Question Ever* will bring clarity to decisions involving your finances, your love life, your schedule, even your career. People everywhere agree that their greatest regret could have been avoided had they asked the Best Question Ever and then acted on their conclusions. A time-tested truth that has immediate application: the Best Question Ever has the power to change the trajectory of your entire life.

Story Behind the Book: After continually making decisions that were short-sighted and hasty, Andy Stanley sought counsel. In Ephesians 5:15, he read: Be very careful then how you live, not as unwise but as wise. It was there that Andy discovered what he considers to be The Best Question Ever. From the Hardcover edition.

What kind of a life picture are you painting? You are gifted with talents and a calling that is unique and part of the vast vision God has for His people on this planet. Each day we have the opportunity to add brushstrokes to our personal canvas by taking simple steps of obedience at work, in our homes, at church, and together as a nation. I am challenging you to say yes to God and consider each yes as the stroke of a brush painting a masterpiece of your life. Ignoring God's voice results in an incomplete picture lacking the exquisite perfection required to fulfill God's plan as He intends it to be. Missed opportunities through disobedience can be the difference between a bold, colorful life and a dull existence. If we want to be successful and

have a significant impact walking in our life purpose obedience is required As believers we should be so in tune to the voice of the Holy Spirit that we don't even question if we are hearing His voice because we know in our knower that He is Emmanuel God with us speaking to us
