I Love Trains

Hi! My name is Ellie. I like to travel. I like to go to new places. I like to see new things. I like all kinds of trips - short trips, long trips, and even medium trips! My favorite way to travel is by train. It is so exciting!

When I was a baby, less than a year old, I made my first train trip. My parents took me to see my grandparents. I do not remember that trip at all.

So far, I have been to twenty-five American states. I have been to Canada. I have been to Mexico. I have been to Italy, too.

I went to all those places by train. Well, I did not go to Italy on a train. We flew there. After all, trains do not travel over oceans! When we got there, though, we traveled in Italy on Italian trains.

Trains have been around for a long time. The first steam-powered train took one hundred forty-one people on a six-mile trip in 1825! Of course, trains are very different now. They move much faster, for one thing. One of

READING COMPREHENSION FOR INTERMEDIATE LEVEL Yudi Hari Rayanto, 2019-12-01 Teaching English reading comprehension in classroom generally is conducted through giving a reading text and doing some exercises in written form. Actually it is less effective in the era of oral language. For learners without knowing the theory of Reading and strategy make them have to spend much time to read and comprehend a reading text. Comprehending a reading text is not as easy as we thought. Still some problems occur for example vocabulary and grammar. Knowing the weakness of learners ability in English language skills this reading book is designed integrated to other subjects they are speaking pronunciation grammar and vocabulary which can be seen in its exercises and implementation. This book also can be used as self study learning because it provides theory and evaluation in reading. Besides that there is answer key at the back of the book which gives answer or possible answers to some exercises. Glossary is also included with its phonetics description for improving learners pronunciation and finding an explanation of certain words used in this book. So it is really useful for all learners included college students teachers and lecturers who want to deepen their knowledge in Reading. I do believe that this book will give some beneficial impacts to college students teachers and lecturers or anyone who interested in reading matters. For college students it can broaden their knowledge about some text types or genre and strategy or techniques in comprehending a reading text faster. Besides that it can make college students be independent effective and efficient learners as self regulated learner. For English teachers and lecturers it will make them realize that teaching reading can be implemented integrated to other subjects and have stronger impacts in improving learners language skills.

Nonfiction Reading Comprehension Grade 4 Debra HOUSEL, 2003-06-20 After reading nonfiction passages about science geography or history topics students answer multiple choice and short answer questions to build seven essential comprehension skills. Deeper Reading Kelly Gallagher, 2023-10-10 Do your students often struggle with difficult novels and other challenging texts? Do you feel that you are doing more work teaching the novel than they are reading it? Building on twenty years of teaching language arts Kelly Gallagher shows how students can be taught to successfully read a broad range of challenging and difficult texts with deeper levels of comprehension. In Deeper Reading: Comprehending Challenging Texts 4 12 he shares effective classroom tested strategies that enable your students to Accept the challenge of reading difficult books and move beyond a first draft understanding. Consciously monitor their comprehension as they read and employ effective fix it strategies when comprehension starts to falter. Use meaningful collaboration and metaphorical thinking to achieve deeper understanding of texts. Reflect on the relevance the book holds for themselves and their peers by using critical thinking skills to analyze real world issues. Gallagher also provides guidance on effective lesson planning that incorporates strategies for deeper reading. Funny poignant and packed with practical ideas that work in real classrooms. Deeper Reading is a valuable resource for any teacher whose students need new tools to uncover the riches found in complex texts. *Read*, 1990 *Wagon Train* S. A.
