Love Your Neighbor Thinking Wisely About Right And Wrong:

Love Your Neighbor Norman L. Geisler, Ryan P. Snuffer, 2007-07-09 Love Your Neighbor is a concise introduction to Christian ethics It begins with a look at the biblical basis for morality defines and describes various philosophical approaches to the subject of ethics then connects biblical morality with the idea of absolute truth in philosophy The book then moves from its philosophical basis to a practical application of Christian ethics considering a wide range of social biomedical and personal issues It does not take a partisan or denominational approach to these issues but squarely faces them with an open mind and open Bible The book is based on sound biblical and philosophical reasoning and does not tell readers what to think but encourages them to think biblically and critically through these issues **The Bible's Answers to 100 of Life's**

Biggest Questions Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell **Truth in Focus** Ryan Snuffer, 2005-08 Truth in Focus equips teens to understand and defend their faith Author Norman L Geisler states Truth in Focus is clear concise and relevant No available book does a better job *Evangelical America* Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21

An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality **Can We Live Forever?** Ryan P. Snuffer, 2009-04-30 Can We Live Forever will make a great supplement to any college class that deals with medical or ethical issues

DEFENDING EVANGELICALISM William C. Roach, 2020-11-15 This book is an important part of the historical record of Dr Norman L Geisler It displays Geisler s intellectual gifts and devotion to the Lordship of Christ in his defense of Christianity and classic evangelicalism This book written by one of Geisler s long time and trusted assistants will be of importance to those who want a first hand interpretation of Geisler and the

significance of Geisler's method for present day evangelicalism. It provides a clear assessment of the impact of Geisler's embrace of classical realism, classical theism, the doctrine of inerrancy in the context of twentieth century evangelical theology while providing a way forward to apply Geisler's method in the twenty first century. **I'm Right and You're Wrong** Steve Kindle, 2015-02-27 Why do well meaning intelligent people disagree about the Bible? What should I do when people disagree? How can I use disagreement to help me understand the Bible more clearly? If I can't agree with someone on how to read the Bible, does it mean the end of fellowship? How many times have you had a conversation with someone that involved a disagreement over the Bible? And how many times have these conversations led to interruptions of friendships or even extended family disputes? Some of these disputes have split congregations. Even the more mild disagreements can leave us perplexed. Why is it that something so plain to one is so obviously unconvincing to others? This often leads us to search for ways to convince others through honing our interpretive skills, doing elaborate word studies, consulting scholarly commentaries and the like. In the end, however, people don't easily change their minds and we are left to wonder why. This book differs from most in that rather than looking at how to interpret the Bible properly, we'll examine the sources of disagreement among interpreters. We all have our own ways of trying to understand the Bible and they are close to our hearts. Many of us think our way is superior to most, if not all. But we will not venture into who is right and who is wrong in our interpretations. What concerns us here is why we interpret the way we do and what our attitude should be toward those with whom we disagree. **NLT Girls Life Application Study Bible** Tyndale, Livingstone, Tyndale House Publishers Staff, 2016-10 2017 ECPA Christian Book Award Finalist Bibles category The Girls Life Application Study Bible is the only Bible for tween girls based on the #1 selling Life Application Study Bible. Christian Growth Through Contemplation Todd Mund,2003-03-27 Like many people Todd lived his life questioning the meaning of God and why he was not close to God As he searched he found the practice of Christian contemplation Used

by Jesus and other Christian patriarchs this had to be the answer After a short period of practice Todd could begin to see subtle changes in himself and in his life The anxiety resentment and worry that were so prevalent in his life began to disappear Entering his life were the two things that he had always searched for calm and serenity As his practice continued he began to feel immense changes and had several epiphanies of the presence of God As these awakenings continued the teachings of Jesus came to have a deeper meaning and understanding than ever before Christian Growth Through Contemplation is a fresh insightful and illuminating book that describes the contemplative process and the truth of the Christian teachings It is a must read for every Christian Whether you are content in the Christian faith or have drifted away from the church this book will help you grow closer to God than you could ever imagine and live a happy and fulfilling life

Eye A'long Justin Rusk,2023-02-09 This story started with me clearing my head and trying to get closer to God Every page I wrote was one step closer Throughout my writing this my eyes were opened It's the most amazing thing that I've ever witnessed Now you all can be witnesses too This story is about finding God and understanding life the world we live in and all the struggles we endure along the way I've used myself as an example because God literally made an example out of me This book is an inspiration for how we can get it right I have to admit I was wrong about a lot of things But speaking the truth and pouring my heart out in trying desperately to save another from making the same mistakes I did were the best decisions I ever made Why didn't anybody ever warn me And if they did why didn't I listen I lived all my life so far ignoring everyone's advice and guidance until he advised me on his guidance And just like that everything changed Everything made sense Finally I understood what one's purpose of existence is I can assure you it wasn't what I was using my life for at the time I grew up in all the wrong ways yet somehow I was still able to grow This story will make you think and at the same time it will blow your mind This is one of the hardest things I ever had to do in my life This book is very real Nothing is fake about it Maybe this book won't save your life Maybe it was just supposed to save mine Maybe this is just supposed to lead you in the right direction to the greatest story of all time What did you expect me to be able to compete with a story like that Well I tried By the time you have finished this keep in mind that only God can judge me At the very least you can't sit there and still tell me you deny his presence *What God Meant this World to Be*
