Masters and Mercenaries Bundle: The Early Ops (Books 1-5) Lexi Blake, 2017-12-15 Long Lost Lexi Blake, 2020-02-04

A stolen past The only thing Tucker remembers of his past is pain Used in a doctor's evil experiments his memories and identity were erased and his freedom taken He believed his nightmare was over when he was liberated by the men and women of McKay Taggart until he heard the name Steven Reasor The idea that he could have been involved in the terrible experiments that cost his brothers everything crushed him A desperate attempt to force him to remember the truth almost cost him his life Now his world is in chaos and his only path to finally uncover the truth and atone for his sins leads to Veronica Croft A painful present Veronica Roni Croft knew Dr Steven Reasor was bad for her but she also saw a side of the man that no one else knew Even as she began to believe their employer was hiding something sinister she was drawn to him like a moth to a flame Their affair was passionate and intense but also fraught with danger When he disappeared under mysterious circumstances she took her first chance to run and never looked back She has stayed hidden ever since running from forces she knows are too powerful to overcome But now the man she believed was dead the man she mourned has returned and needs her help A dangerous future As Tucker and Roni unravel the secrets of his past a dark force rises and threatens to destroy them Their only chance for survival will require them to join forces with the Lost Boys worst enemy Only together can they finally unlock Tucker's past But as Tucker's memories begin to come back will it free them both or tear them apart forever Love the Way You Spy Lexi Blake, 2023-09-19 Tasha Taggart isn't a spy That's her sister's job Tasha's support role is all about keeping them alive playing referee when they fight amongst themselves and soothing the toughest boss in the world Working for the CIA isn't as glamorous as she imagined and she's more than a little lonely So when she meets a charming man in a bar the night before they start their latest op she decides to give in to temptation The night was perfect until she discovers she's just slept with the target of their new investigation Her sisters will never let her hear the end of this Even worse she has to explain the situation to her overprotective father who also happens to be their boss Dare Nash knew exactly how his week in Sydney was going to go attending boring conferences to represent his family's business interests and eating hotel food alone Until he falls under the spell of a stunning and mysterious American woman Something in Tasha's eyes raises his body temperature every time she looks at him She's captivating and he's committed to spending every minute he can with her on this trip even if her two friends seem awfully intense He doesn't trust easily but it's not long before he can imagine spending the rest of his life with her When Dare discovers Tash isn't who she seems the dream turns into a nightmare She isn't the only one who deceived him and now he's in the crosshairs of adversaries way out of his league He can't trust her but it might take Tasha and her family to save his life and uncover the truth Stealing Summer Lexi Blake, 2020-07-14 From New York Times and USA Today bestseller Lexi Blake comes a new epic length story in her Thieves Hunterworld A daughter lost Summer has spent her whole life wondering about the family she left behind On the night she

came into being she only had a few moments with them In that brief time she reached out to her father looking deep into his soul and gifted him the will to go on But now she is the one in need Once a child made of pure magic she is forced to live as a mortal Her power caused great harm and she has sworn never to let it happen again With her friends beside her she tries her best to help those she can If that requires her to do a little thievery well she is her mother s daughter after all Everything changes when a woman falls from the sky and Summer meets the handsome vampire named Marcus Vorenius Just as her past begins to catch up with her she might have finally met her future A mother discovered Kelsey Owens went searching for Dev and Marcus but all she found was a trap She was pulled through a magical painting and thrown smack into the middle of a battle on a foreign plane of existence Luckily she s good in a fight Saving the woman targeted by the horde of brutal soldiers Kelsey is shocked by her resemblance to her queen As Kelsey investigates the mystery surrounding Summer Donovan Quinn she also hunts for a way back to the husbands and son she just claimed A queen exiled Zoey Donovan Quinn is not happy The wizard Myrddin is back her marriage is troubled and she is sure those two problems are connected But nothing is more worrying than Dev s sudden disappearance When she and Daniel go looking for him they are drawn into a world thought lost to the Earth plane Danger awaits them there but so does the daughter they thought they would never see again She hopes they survive their reunion Three heroines One mystery And an ending that will change the Thieves world forever No More Spies Lexi Blake,2025-03-18 Kala Taggart has known she was in love with Cooper McKay since she was a young girl But her wild child ways sometimes clashed with Coop s apple pie all American persona After the worst night of Kala s life she decided to give up on having any kind of normalcy She focused on her future and let the idea of Cooper go Cooper knows he screwed up with Kala when they were young but the adult Cooper is unwilling to let their past rob them of a future He joins her CIA team not for the thrill of the job but to be close to the woman he s always loved He spends night after night with her at the club trying to fulfill her needs to prove he doesn t need some perfect partner All he needs is her When Cooper and Kala are assigned to a mission they find themselves locked together and forced to face their problems As the truth of that long ago night slowly comes to the surface Cooper has to admit that Kala might be further from him than ever And all his plans come crashing down as the elusive terrorist they ve been hunting makes a move no one is expecting but the real threat might come from within **No Love Lost** Lexi Blake,2020-09-29 When Ezra Fain joined the ranks of the CIA the last thing on his mind was romance After meeting Kim Solomon it was difficult to think of anything else A tragic mistake drove them apart leaving him shattered and unable to forgive the woman he loved But when his greatest enemy threatens her life Ezra leaps into action prepared to do anything to try to save her Solo accepted long ago that she won t get over Ezra She s worked for years to get back into his life looking for any way to reignite the love they once shared Unfortunately nothing seems to penetrate the wall he has built between them When she s arrested for a crime she didn t commit she believes she s on her own Racing across the globe Ezra and Solo find themselves together again caught in the crosshairs of the agency they sacrificed so much
